Dear Jack,

At the Redress meeting at the Toronto United Church on March 10, 1985 you had publicly announced your resignation as Vice-President of NAJC.

As yet I have not received a letter of resignation. To formalize the procedure, I would appreciate a letter of resignation that would officially state your expressed intention.

It is unfortunate that in a small community such as ours that we cannot work together towards a common thrust on the issue of redress.

Sincerely yours,

Arthur Miki, President
