Dear Mr. Miki:

At a meeting of the Toronto JCCA Redress Committee held on Wednesday, March 27, 1985, the enclosed resolution was moved by R. Ogaki, seconded by S. Yajima and passed unanimously.

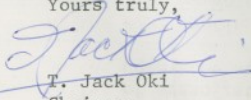

A list of organizations represented and a number of independent members on the Committee are also enclosed.

At the same meeting the following resolution was moved by F. Oda, seconded by S. Watanabe, and passed unanimously.

"The Toronto JCCA Redress Committee gives a vote of complete confidence in Ritsuko Inouye as the Toronto Delegate and Council Member of the NAJC."

We would urge the NAJC to turn to the course of reason chosen by the Toronto JCCA Redress Committee, which we believe is supported by the "silent" majority of Survivors, to bring Redress to an end with honour and dignity thereby starting the "healing" process of our badly "injured" community.

Yours truly,

T. Jack Oki
Chairman
Toronto JCCA Redress Committee
