Toronto 9, Ontario.

Dear Mr. Kagetsu:

Bank of Nova Scotia Building,  
602 Hastings Street West,  
Vancouver 8, B.C.

I received your letter of December 11th with your enclosure as stated and at once endeavoured to see Mr. Field. He has been very busy but finally I got him today.

The position is that Mr. Field has on hand for Kagetsu and Company something over \$2800.00 and a further amount in respect of the Deep Bay Logging Company Limited. Apparently the Custodian is anxious to proceed with the winding up of the Deep Bay Logging Company and I believe that if this matter proceeded we could get Mr. Field and the Custodian to release the monies now on hand.

Following my conversation with Mr. Field today, I have written him a letter, copy of which I enclose. Will you please let me know if it meets with your approval.

With reference to the Hompa Buddhist Temple, I expect over the forthcoming holiday to get an opportunity of going through Mr. Locke's correspondence and getting all the funds which I have on hand disbursed. I am sorry that there has been such a delay but the greater part of it has been beyond my control.

During the holiday also I will try and make some progress in the matter of your claim and I will have my agent at Ottawa get in touch with you.

Yours faithfully,

Yours very truly

Dear Mr. Norris:

*re: Kagetsu & Company Ltd.*

I am enclosing a copy of a letter which I have been compelled to write to Messrs. Field & Company. My earlier letter of many weeks ago brought no results at all. May I ask your pursuing the Kagetsu & Company matter for me? Again, therefore, I make a profound plea for funds. I am given to understand that the Hompa Buddhis is of course needless for me to repeat that I am urgently in need of funds. Again, therefore, may I ask for the monies in the Hompa account (minus your fee and disbursements in this connection)?

I have had no word whatsoever from or about your agent in Ottawa. In the Toronto Star the other night there was a piece about the Prime Minister announcing that Japanese war claims will be settled before Christmas. The writing was ambiguous and I wondered whether the reference was to claims such as ours.

Well, Mr. Norris, please do what you can for me as matters here are certainly not improving any.

Sincerest compliments of the season to you and yours,

yours very truly,  
*E. Kagetsu*

Dear Sirs:

Re: Kagetsu & Company Ltd.

Almost a month and a half have elapsed now since I made an urgent plea for funds from the above account but I have not heard from you. Because of financial commitments my banker is constantly hounding me. Again, therefore, I make a profound plea for funds. I am given to understand that the Nampa Buddhist Temple matter has been straightened out so I fail to understand what could be the holdback this time. Please, gentlemen, I beg of you to act upon this request forthright.

With that account, and send me as soon as possible the credit balance.

As regards our Claims case with Ottawa will you please act upon this yours very truly,  
it really is very unfortunate but I am only so I find my hands tied but matters are getting quite desperate and without more money.

Best personal regards.

c.c. Mr. T. G. Norris.
