Mr. Angus MacInnes, Member for Vancouver East, House of Commons, Ottawa, Ont.

Dear Sir:-

I have for acknowledgement your letter of May 8th with regard to letter received by you from H. Kitagawa on behalf of the Japanese bellboys at this hotel.

I note from your letter that you have written to Mr. Hungerford in this connection and no doubt you will receive a satisfactory reply from him in due course.

Yours very truly,

MANAGER.

Tilagan = Otta wa, Ontario, May 8, 1939. The Manager, Hotel Vancouver, Vancouver, B. C. Dear Sir: I am in receipt of a communication signed by H. Kitagawa, one of the bell boys presently working in the Vancouver hotel. Mr. Kitagawa wrote to me on behalf of himself and a number of other Japanese engaged in similar work in the hotel. He informs me that it is the intention when the new hotel is opened to engage other help for the positions they now hold. I have written to the President of the Canadian National Railway Company, Mr. J. S. Hungerford, drawing the matter to his attention and suggesting to him that it would be very undesirable for these people who have given faithful service for a number of years and who are all Canadians, either by birth or naturalization to lose their positions because of racial prejudice. I would be very glad if you would give this matter your consideration. Of course, if their services are not satisfactory, I have nothing further to say in the matter. But I would suggest that every consideration should be given to the question of their dismissal if it is entirely on the basis of race. Yours sincerely, Angus MacInnis, Member for Vancouver East.

Mr. Angus McInnis, M.P., House of Commons, OTTAWA, Canada.

Dear Sir:

we acknowledge with sincere thanks receipt of your letter of April 17th.

We fully realized that our positions did not warrant our taking the liberty of appealing to you for assistance, but we were unable to obtain a satisfactory response from the Canadian Pacific Railway Company and the thought of losing our positions weighed heavily on us. However, all the Chinese who have been in the employ of the Hotel have already been transferred, and we are still hopeful that we may be given as favourable aconsideration as they.

We are more than grateful for all that you have done for us and would gladly welcome any further assistance we may be honoured to receive in the future.

Yours respectfully.

H. Kitagawa

Dear Mr. Kitagawa: This will acknowledge receipt of your airmail letter of April 13th. I had already received a communication from Mr. A. V. I am writing to Mr. J. S. Hungerford. President of the Canadian National Railways, drawing his attention to what is considered to be a very definite discrimination. I shall be glad to write you when I hear from Mr. Hungerford. Yours sincerely, AND NO NO THEOR OF OUR OF CENTLOWNS WE NEVE RECORD THE Angus MacInnis, Member for Vancouver East. AM-T.

its new premises, our services will be dispensed with. We understand that the greater portion of those who are now on the different staffs of the motel will be taken over to the new premises regardless of nationality.

It appears that the Japanese bell boys and the valet are all to be discharged. With the exception of one, we have all been in the employ of the Company for many years, and are heads of families in Vancouver. It would work a hardship on us to throw us out of employment. We have grown up with this work and we find it impossible to secure positionselsewhere.
