J. H O R I
GENERAL MERCHANT

~~WHOLESALE AND~~ RETAIL

453 POWELL STREET

VANCOUVER, B. C. Nov. 4th. 1934

Mr. Angus MacInnes,
c/o Parliament Bldg.
Ottawa.

Dear Sir;

Having received a correspondence from Retail Merchant Association (B.C. Board), inquiring our impression about this coming retailer meeting at Ottawa, may I extend to you personally, on behalf of my company, to wish you would attend this meeting, so that you can be fully informed as to the position of the retailer in our community.

As myself, being a Canadian Japanese, I wished to express gratefully, what you have done during the past, considering in many ways, about our community. May your future achievement be successful. No matter even without franchise, we lived to be faithful, law abiding citizens, for we continue to enjoy the principle of freedom.

So again, I plead to you, to attend this meeting, and express our impression, what your present and your future friends Canadian Japanese have in mind. You know as well as all good citizens, its friendly cooperation between all nationalities, that has built such a wonderful country as it is today. So, at this most strenuous time, we all must pull hard together to our only object, VICTORY OF FREEDOM.

My humblest regards to you, so that you can be our delegates from our own community, Vancouver East.

Yours sincerely,

J. Hori & Co.
