Dear Sir:

Re: Chattels

Mr. Heath, to whom you rented your property in Surrey, finds that he is unable to properly care for your farm and it has now been rented through the Soldier Settlement of Canada at the rate of \$400.00 for the coming year.

In view of these circumstances we found it necessary to re-check the chattels left on the property to clear Mr. Heath of any responsibility for the articles left on the farm.

On August 22nd, you signed a list of chattels stating that they were all the chattels left by you in the protected area. We find, under this careful re-check, that the list you signed is only a portion of the articles and we are enclosing a copy of the list of chattels found on your property at this time.

Yours truly,

R. D. Richardson
