A detailed model of Union Station in Vancouver, British Columbia, Canada. The model features a large, ornate red and white building with a prominent clock tower. To the left of the station is a green lawn with several trees and a small rainbow flag. A blue sky with white clouds is visible in the background. The text "Union Station, Vancouver, B. C." is printed on the right side of the model. The text "Canadian National Railway Station." is printed on the left side of the model. The text "106529" is printed at the bottom left of the model. The text "Copyright" is printed at the bottom right of the model.

"DOWN AMONG THE OILFIELDS"

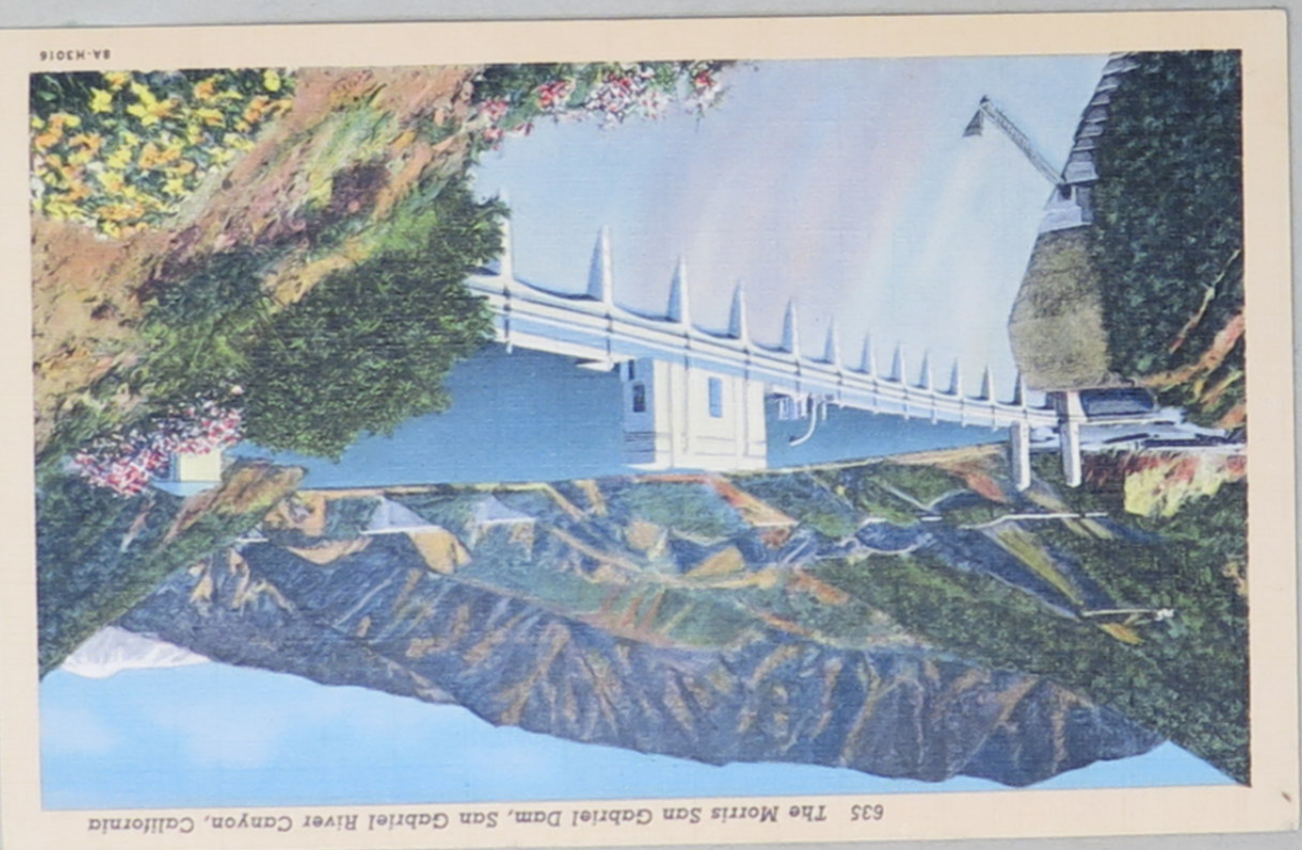

We're down among the oil fields  
Where you never have the blues  
And the bandits steal the jineys  
Where the jineys write about you  
And the street cars barely creep  
While the burglars pick your pockets  
While you "lay me down to sleep"  
And the bulldogs all have rabies  
Where the rabbits they have fleas  
Where the big girls like the wee ones  
Wear their dresses to the knees  
Just to give your health a chance  
Say "Howdy" to some fellow who  
Shoots big holes in your pants  
And bird's don't dare to sing  
For it's hell down here in Oil Land  
Where they all shoot on the wing.

In a world of snow and sleet  
Get home the best you can.  
If you call a man a liar, you  
Where they always hang a jury  
Where each pocket has a pistol  
And the bullets fall like hail:  
Where the chickens never roost.  
Where the chickens men just for pastime  
Where they shoot men just for pastime  
Where the buildings horn the skyline  
And the bandits steal the jineys  
Where the jineys write about you  
And the street cars barely creep  
While the burglars pick your pockets  
While you "lay me down to sleep"  
And the bulldogs all have rabies  
Where the rabbits they have fleas  
Where the big girls like the wee ones  
Wear their dresses to the knees  
Just to give your health a chance  
Say "Howdy" to some fellow who  
Shoots big holes in your pants  
And bird's don't dare to sing  
For it's hell down here in Oil Land  
Where they all shoot on the wing.
