My Dear Friend,

All the family join me
in wishing you & yours all the best
for Christmas & the New Year.

The weather this past
summer was quite the best we have
had for 20 years. Still remains
excellent, - $\frac{1}{2}$ ° more, no wind & a near
total still wide open. Very good
years for guests & hotels, - also very
good fishing in Green Lake, - Ray
crop (under sprinkler irrigation) also good.
Cattle prices continue to hold up too.

Bad strike in south B.C.
Lumber mills, no end in sight. Local
mills not affected, lumber still high.
Possibly returning to England for short
visit in spring. Kindest personal
regards to you & family.
Best Wishes

May the beauty of the
season

And its meaning, deep and true,

Bring you happiness at

Christmas

And throughout the New Year, too.
