NOT GUILTY OF MURDER

Second Trial Jury Nearly Came to Disagreement

KIZO FUROSAWA, Japanese A ship's oiler, charged with the murder of Iwao Akasawa, ship's store-keeper, was acquitted by a jury at the spring assizes Wednesday evening, after deliberation lasting five hours and during which the jurors returned to court once to report failure to agree.

to report failure to agree.

There were few spectators in court when Mr. A. B. Weeks, toreman of the jury, announced the verdict, and the diminutive Japanese, when informed of the result of the trial by the interpreter, after bowing several times to the bench and the jury, stepped from the dock a free man.

HELD FOR DEPORTATION

HELD FOR DEPORTATION

But he was free only for a short
time, for as he left the court house
for an incompanie of the left the court house
flowed him. Shirps and Constable
Robert Holliday of the B.C. police
followed him and surrested him again.
The little Japanese seemed puzzled
at first by the new twist in events
but when it was explained to him that
he was simply being held for deportation to the land of his birth, he broke
into a smile and rewarded the police
officers with several bows.
He was at once taken by Constable
Carl Ledoux of the B. C. police to the
immigration sheds where he is being
held until the next vessel leaves for
Japan.

Women believe prohibition is de-bauching the home.

CALIFORNIA TO PROBE RADIUM **ORE CLAIMS**

Marx John Mines Company **Properties Discounted** by State Expert

BY State Lapert

SAN FRANCISCO, April 3.—State
Investigation into the claims of radium-bearing cres from California
into the claims of reground the claims of radium-bearing cres from California
into the company of the control of the
particularly given to the reprovery of cocovery of radium alines company, in
California county. Considerable publistly has been given to the MarJohn claims in this city during the
past month.

Justity has been given to the MaxiJohn claims in this city during the
past month.

According to Mr. W. W. Bradley,
state mineralogist, the Max-John
past mineralogist, the Max-John
control of the mining division last October and ne evidence of any radiumbearing ore was found. Samples tested
in state laboratories were declared
links as far as radium or any other
ran earth motion, the mining division last Octolearning ore was found. Samples tested
in state laboratories were declared
links as a sardium or any other
ran earth motion, the radium is
extracted from the ore by a secret
electrical process in which 3,00,000
volts are developed from the ordinary
electrical supply of the state movies
rided by state of the state of the conbelieved that such power would not be
possible and would not be used commercially even if developed.

Other scientific views in the state
look upon the electrical claims with
considerable doubt.

The majority of the shareholders of Mar-John are scattered throughout the Pacific northwest, being in Washington cities California reports that the state corporation department some time ago suspended the Mar-John license to sell stock in that the
