

Get more jam from the same fruit

MAKE perfect raspberry jam the Certo way and get 4 1/2 lbs. as against 3 lbs. made by the old long-boil process. With Certo, jams and jellies take only a few minutes boiling (follow directions carefully)—water boiling retains all the fresh fruit colour and flavour—you'll always get a perfect set—fifty per cent. more from a given amount of fruit—no failures, no waste.

Use Certo, any day in the year with any fruit you like—fresh, canned or dried—or fruit juice. Results are perfect every time!

The neutralizing substance extracted from fruit. It has the juice that would have boiled away by the old (long-boil) method.

Makes 50% more jam in July or less per jar. Saves 50% the fuel. Saves the fruit colour. \$1.50.
