The Real Issues—July 28th

both sides admit Canada's welfare is at stake. The main domestic issues are unemployment—home markets—taxation—Provincial and Dominion co-ordination—and means for greater inter-provincial exchange of people and products. The main international issues are British Empire trade negotiations—meeting foreign tariff handicaps and Canada's status on the seas and seaways. Only the radio can give both sides of the arguments fearlessly and fully. Radio knows no favoritism—Radio alone enables you to make your decision without prejudice. Have your dealer check your tubes today if your set is not working like new. Replacing a worn tube will repay you a hundredfold.
