JAPANESE DRIVER DEFEATS 2 THUGS

Bandits and thugs staged a holdup and an attempted robbery late Thursday afternoon, five Chinese being lined up and robbed by gunmen in the Duck Yuen tailor shop, 952 Granville Street, at 3:20 p.m., and Toyokichi Nigo, 473 Powell Street, Japanese taxi-driver, scaring off two men who tried to rob him in the 200 block East Georgia Street at 6:50 p.m.

Entering the front door of the tailor shop, the two bandits locked the door behind them and marched him to the back of the store. Here they found four other Chinese and they were also commanded to "stick 'em up."

POCKETED RIFLED

All five were forced to stand facing the wall with their hands in the air while their pockets were rifled. A ring valued at \$75 and \$104 in cash was taken from Duck Yuen and \$10 from a second Chinese. After cutting the telephone wires by the rear door, the men fled.

The eventual taxi-call of Toyokichi Nigo commenced when he responded to a telephone message to pick up two men at Princess Avenue and Powell Street.

STUCK ON HEAD

After leaving the taxi, the man said their destination was Sturgeon and that they first wanted to visit a friend in the 200 block East Georgia Street.

Upon reaching that vicinity one of the men, sitting in the front seat with Nigo, suddenly grappled with him while the second thug, seated in the rear, struck the Japanese over the head with a rock wrapped in a handkerchief.

The blow failed to render the Japanese unconscious, however, and he yelled for help when his assailants tried to loot his pockets.

Fearing capture, the two thugs hurriedly left the car and fled in the westward direction.

OTTAWA KILLER TO BE HANGED

By Cheasman Press

HULL, Que., Nov. 28.—Austin Cassidy will pay with his life on January 30 for the murder of Marshall, young Ottawa athlete. The 28-year-old Ottawa was sentenced by Mr. Justice Lacombe to be hanged after a full assize jury early last night returned a verdict of guilty after deliberating only 15 minutes.

The condemned man spat vitriol when the judge remarked that Providence had been kind to Cassidy in that he was being given some time to repent whereas Marshall had been sent to his death without preparation.

When the judge remarked "I am sorry Cassidy," Cassidy interjected "I am sorry Marshall." The judge added "So much the pity."

worse for my poor friend, if you are not and I pity you from the bottom of my heart."

Cassidy, formerly a drug addict, had had a lengthy criminal career. His first court appearance was made when he was 12 years of age.

The crime was committed on October 15 near the Alexander bridge, approach to Hull from Ottawa. Cassidy was found guilty of shooting Marshall during an argument over a petty automobile accident.

Charles Cassidy's companion, also charged with murder, has not yet been brought to trial. Crown attorneys have given no indication the charge against him will be lessened.

Dame Karinskaya To Sing Tonight

Dame Maria Karinskaya, assisted by Serafina Fashkovsky and Alexander Zinzenzsky, will present a recital of Russian opera, classical and Gypsy song selection this evening in the Hotel Vancouver commencing at 9 o'clock.

A noted critic says of Dame Karinskaya: "The name of the popular singer Maria Karinskaya is too familiar to every Russian to be introduced. It must be introduced, however, to foreigners who enjoy artistic productions. In this respect the Russian star is second to none. Her fresh, powerful voice of unusual amplitude; deep contralto rising to silvery soprano, is not met often and is worth hearing."

"This is not only the only feature of her talent. She is the first class artist performer emphasizing her singing with gesture and actor's play that makes intelligible the spirit and sense of a foreign song even to those who do not know the language."
