Picturesque Tale of Lively Youth in America

By J. B. PRIESTAY

"Juan in America, 's fire Linklaters their novel, and his best, so farir remember thinking, sitter 1 farread his first, 'white Maan's Baga,'
that here was a new novelate of ununually bright promise.
Good first novels, however, are not
very difficult to write, especially it the
filther draws on autholographical inferrit and the second sovel.

Pools pain's blough I do not should By J. B. PRIESTLY

Glasses So Good They Are Indispensable

When glasses restore vision to normal, banish headaches give comfort—when they de this and nothing else can-they become literally indis-pensable.

It is the glasses that do everything for you that good glasses will, and these only, are fitted in this practice.
