WE VICIOUSLY ATTACK ANDY
A City Editor, once upon a time, made a bet with me...

VISIT VANCOUVER
Spring is here in all its pristine glory. And summer will be here almost before we know it.

Vancouver has a paradise just outside the door. She has the ideal for those tourists who...

This year the prospects are for more tourists. One reason is that present conditions curtail expensive trips abroad...

Ten-thousand Canadian and United States population is on wheels during the tourist season. The United States is building more roads than ever...

Everybody can help do that. Tell your friends about Vancouver, about its fascinating mountains and its fishing and its beaches and its multitude of attractions...

With the co-operation of all her citizens, Vancouver can send out millions of letters, each one of them a winged salesman, each one a possible tourist-winner...

Visit Vancouver. This generation can't remember the high collars that were prevalent in 1900, but driving between billboards gives much the same impression.

ABOUT THE CITY'S MILK

Iowa farmers are resisting the efforts of health authorities to stamp out spruce budworm infection through milk. It has been necessary to call out the state militia to enforce the tuberculin test on certain herds.

This is in striking contrast with what took place in the Fraser Valley, source of Vancouver's milk supply, a few years ago. Here the farmers at a series of mass meetings called by the Fraser Valley Milk Producers' Association, voted overwhelmingly in favor of having the tests made.

It was no small sacrifice these farmers made to provide Vancouver with pure milk. Between 4000 and 5000 head of cattle were destroyed in the three successive tests. Some individuals lost their whole herds.

That position has been maintained and the source of Vancouver's milk supply today is officially rated as a "T.B. Free Area."

Milk problems have been under lively discussion during the past few weeks. One incident which has been given the Fraser Valley farmers for the heroic act which Vancouver's milk was freed from tuberculous infection.

Correct this sentence: "I think he's guilty," said the juror, "and I'll stay here a month rather than vote against my conscience."

THE JONES TAX ON WAGES

Hon. J. W. Jones, Minister of Finance, defended his new 1 per cent tax on wages at Thursday's Kiwanis Club luncheon.

He said the new tax is estimated to yield \$2,500,000.

Last budget before the Tolmie Government came in provided for expenditures of less than \$211,000,000.

The Jones budget a few weeks ago provided for \$229,000,000. The increase is \$8,000,000 in three years, or roughly \$2,600,000 a year.

In just one of those three years the Tolmie Government had refrained from increasing the expenditures of the working people of British Columbia which has been spared this impost.

That is a phase of the question Mr. Jones did not discuss.

It's very simple. Just make penalties so severe that juror's convict and then nobody will be guilty of crime.

And a man's not got a penny, and he's feeling rather And the clouds hang dark and heavy, and won't let the sun shine through.

Oh, the world's a curious compound, with its honey and its gall. With its cares and bitter crosses, but a good world after all.

And a good God must have made it—least ways that is what you say. When a hand rests on your shoulder in a friendly sort of way.

These children will be noble as they grow up, or as healthy as the children who are properly fed. Their habit of breathing and sleeping and eating will be the best of them.

Getting the Most Out of Life

DR. FRANK MCCOY

Recently I read an article by a very brilliant medical writer in which he said that every one is born with a certain inheritance...

Many doctors have said that a fatalistic attitude is one of the worst of all. It is the one of the worst of all. It is the one of the worst of all.

It is to be noted that many doctors have said that a fatalistic attitude is one of the worst of all. It is the one of the worst of all.

Dr. Frank McCoy says that a fatalistic attitude is one of the worst of all. It is the one of the worst of all.

The idea is inherently wrong. For example we can work for a certain number of years, and then we are old and decrepit.

This column aims to be a medium through which the opinions and suggestions of citizens will reach the proper authorities. It is to be noted that many doctors have said that a fatalistic attitude is one of the worst of all.

No Beer for Jobs. I "listened in" on one of the finest sermons I have ever heard, by Rev. Andrew Roddan.

A Plea For Local Concern. Why does the City Council let sidewalk contracts at a time when there are so many unemployed married men who are looking for work?

The Blame. We are a queer lot. No sooner does something un-pleasant happen than at once we must fix the blame. Somebody is to blame.

Blushes. We decided to ask some friends from the country in for Christmas dinner. We got two guests but finding they were too big for the place, I got my larger party.
