Chicago's 'Big Boss' Liable to 34 Years

ROY PEGDES COST BILLION

Continued From Page One

Thousands jammed the streets outside the federal building...

In throwing himself on the mercy of the court, Capone became subject to a possible 34 years imprisonment and a \$50,000 fine.

The longest sentence for income tax was two years.

A 20-year sentence was possible under the new income tax indictments, but precedent would indicate a higher sentence.

Today the talk centered on the fact that the government had been granted a two-week extension to bring the case to trial.
