ships in harbor. The wind speed of 10 miles an hour and five inches of rain fell in 18 minutes.

The traffic was running between dates of Sydney harbor damaged the steel ferry Dewey and injured several persons.

Ferry service was suspended.

The steamer Cronin radioed she was unable to continue because lack of visibility prevented her from entering. Other ships were unable to make their berths.

COL. N. BENGT DES

QUEBEC, July 6—L.J. Ouellet captain Benoit, well known in Quebec as a military and newspaper critic.

most ailments afflict two women every man.

By George Clark

Here to check up progress and arrange outstanding details, Mr. Tolson has been in conference with Col. J. Rahn, the conference contractor, and W. T. Henry, chief of the experimental details for the Canadian mission. Final details of public rooms on the lower floor will be arranged before he leaves for the east a week hence.

Montreal Rabbi To Speak Here

Rabbi Harry J. Stern of Temple of Shalom (refers synagogues) will address a public luncheon meeting of all the service clubs of Vancouver in Burrard hall on Tuesday, July 14, under auspices of

The Vancouver Service Girls Council of which J. M. Harvey is chairman, will be the subject of the address. Baber Stern is a leader in community work in Montreal and a well known public orator throughout Eastern Canada, noted for his untiring work in promoting fellowship and better understanding among all races and creeds.
