Lost Dauphin Escaped to Canada'

NEVER PERISHED IN PARIS PRISON, WOMAN CLAIMS

CLEARWATER, Pia., July 8 The lost Dauphin of France, son the ill-fated Louis XVI and Ma

Orleans.

As Henry Be Rio the Dauphin joined the British army, married Margaret Hunter in 1827, and died the following year, six months before the birth of his son, James Henry De Rio.

Gants, a woman, is still living.

COLUMBUS, S.C., July 8.— The
story that the lost Daugnill of France
had a son, who was rearred by John
by A. S. Salley, secretary of the
south Carolina Historical Commitscountry of the story originated, he said, when
James Henry Rion, of Winnsborn,
1886 in which he asserted his father,
Henry Rion, was the Daughin,
