Jap Fleet Tie-up Brings New Menace

Who Will Catch Dogfish to Provide Britain With the High-Vitamin Oils She Needs So Badly? Prices Are Too Low

By DON MASON Danger of fifth column activities by British Columbia's big Japanese fishing fleet has been averted by swift official action...

HEADS EXCHANGE... A high official declared recently that the vitamin oils are a vital requirement as tanks, planes and guns.

"PEGGED" PRICE... The decision that small boats could handle the catch influenced Ottawa in deciding to set a "pegged" price of 12 cents a pound for dogfish livers.

JAP TIE-UP... Mrs. Phyllis Gregory Turner, newly-appointed chief administrator, came to Vancouver to talk about prices and production with the department...
