By CANADIAN INSTITUTE OF What Will Be Canada's Reaction To the New Issues Ahead?

Within 24 hours of the Japan-ese attack on British and United States territories in the Pacific,

States territories in the Pacific.

the Canadian Institute of Public
Opinion (Gallup Poil of Canadian public opinion has been
obtained before the Japanese atback launched a series of new
mation-wide surveys- to measure
the impact of the situation.
Questions on Canada's war effort, on the relative importance
of the Pacific conflict in comparson with the war in Europe and
Africa—as well as direct questions of the Canadian in
tack—have been phrased, tested
and distributed to field reporter
in all parts of the Dominion, to

Daily Times.

Since the adequacy of the war effort has been the great issue between the major political parties for many months, it is in-teresting to note the way rank and file Liberals and Conserva-tives answered the principal sur-vey question.

satisfied.

The vote of Liberals in the survey was: "Satisfied," 71 per cent; "dissatisfied," 29 per cent. (In both sets of figures the "undedded" vote has been excluded for purposes of easier comparison.)

B.C. DISSATISFIED

Results of a Dominion-wide Gallup Poll, interviewing for which was completed just before the Japanese attack on British and U.S. territories this week. The survey serves as an epilogue to a phase of the war many observers believe has now ended. What will new Institute surveys show? One of the most important contrasts in the survey is that between British Columbia voters and the citizens of the other

show?

doubtedly consider the results as align of previous complacency. The second of and the citizens of the other provinces. Even before the conflict spread to the Pacific, B.C. voters inter-viewed in the Gallup Poll aver-aged approximately 2 to 1 "dis-satisfied" with the war effort. In satisfied" with the war effort, in all other provinces together the average vote was: "Satisfied," 65 per cent; "dissatisfied," 34 per cent, with the largest majority in the province of Quebe. How the picture has changed since the events of the past week will be reported in future Gallep Polis.
