

# FOR SALE, LEASE OR TRANSFER—THESE 1000 JAP BOATS

There are nearly 1000 fishboats in this historic picture. They are the vessels seized by the Federal Government from Japanese owners and operators when war broke out and now under naval guard in the Fraser River.

Citlax has appointed a board of three to dispose of this enormous fleet to white fishermen and other white operators.

At left ratings of the Canadian Navy, service rifles slung over their shoulders, stand guard at the wheel of one of the boats. Scenes such as that, at right were witnessed in many Japanese settlements. A Japanese housewife explains to a naval officer that her husband is at sea with the fishing fleet.

## WHAT WE ARE FIGHTING FOR

### 'Liberty for All Canadians Knows No Bar of Race, Color'

By DENIS MURPHY JR.

Perhaps at this time it is a good thing for us to remember what we Canadians are fighting for.

It is said we are fighting for democracy. But in fact the matter goes deeper than this, for democracy is only the form through which we achieve and develop our ideas of liberty. We are fighting to maintain the liberty we now have and for the opportunity of broadening and deepening our conception of that liberty in the future.

Liberty—Canadian liberty—

extends now to each and all of us, whatever may be the color of our skin. Each of our daily lives is made up of the activities of Canada.
