#### Appeals Against Excess Profits Tax No. 350

Profits Tax No. 350

OTTAWA, Jan. 21.—(CP)—
The board of referees appointed
by Finance Minister Liskey to
assist him in dealing with appeals against excess profits assessments has had 350 appeals
referred to fichy-the minister, it
was stated today, and more than
100 have been reported back.
The profits made by a firm
in the four years before the war
began are taken as the base and
profits made since the war in
excess of the pre-war rate are
subject to the excess profits tax
which is on a sidding scale. The
faster wartime profits increase,
the higher is the tax rate im-
