Parade to Precede Highland Dancing

Over Jap Stores Here

While trains bear increasing numbers of Japanese nationals to road camps far inland from the coast defense zone, an un-specjacular but no less signifi-cant change is taking place in the economic life of Vancouver.

the economic life of vancouver.

A placard, "Under New Ownership," in the window of a
splinthal grocery store—a
spirinkling of now names in therecords of city licensing department and land registry office
—a Chinese vegetable gardenen making his rounds in a
truck he didn't have last week
—these are the signs of the
change.

ng in.

Magnitude of the change will

of be apparent until the Hegira,

nique in Canadian annais, is

somplete. Then Vancouver's
