LONDON (CP) - Remember Hongkong!" is becoming a war production alogan.

production arogan.

Telegrams proclaiming the phrase and urging workers to redouble their efforts will be dispatched tomorrow from a little Surrey factory to other war plants.

A young Surrey welder, angered at the disclosure of the angered at the disclosure of the Hongkong atrocities, suggested the telegram idea to the monage ment, and fellow workers, who agreed to subscribe to the costs. Now there are reports that plants in other parts of the country plan to pass on the felegrams chain letter style;
