us war effort by taking up the effort. They are pictured putting Red Cross. The girls are, (left) Marie, Carnsew, Mary Odum,

Under their president, Mrs. C. E. Dick, mothers who belong to the Kitsilano Parent-Teacher Association have been assisting the war work groups by quilting the quilts made by the various clubs.

Word has been received from Chicago that Pauline Graham, Rupert Ruddell and Norman Klemman have been accepted for membership in the Honorary Quill and Scroll Society of Student Journalists. Edgar Jones, editor-in-chief of KHS Life, is already a member, having been accepted, with John Scott, last year. The new members will be initiated at an impressive ceremony in April.

## At Tweedsmuir

Students have been tested for T.B. and are glad they were able to have this privilege.

There is a contest on between Queen Elizabeth High, Semiahmoo High, and L.T.H.S. to see which school can collect the largest amount of newspapers for the Red Cross.

## Field Girls Active

FIELD—Girls of Field High School held a tea and home cooking sale recently in aid of the Mount Stephen Cadet Corps. The proceeds are being used to help provide uniforms for the corps. Mrs. Cheeseman poured tea for the guests.

Cuba prohibits the broadcasting of news from sources which cannot be identified.

## Patriotic Colors at Coquitlam

By HAROLD MOORE

COQUITLAM.—Harry Caddy, a student of Coquitlam High, and a member of the Junior Forist Wardens' Association, was decorated on March 14 for his bravery on the scene of the head-on collision of a GNR and CNR train near Sapperton on July 24.

Being first on the scene, and sensing the grave situation, Harry dashed for the nearest telephone and phoned for the police and ambulances, and returned to the scene of the accident to give further assistance.

Coquitlam High's principal, W. J. Mouat, has responded to the call of the Royal Canadian Artillery. He left for Gordon Head camp on March 14, where he will train for the rank of second lieutenant. During his leave of absence R. F. Davey, former vice-principal, is in charge of the school. Coquitlam's Easter war fashion

ions include a new patriotic two-toned blue and white sweatshirt. The sky-blue sweatshirt is set off by a white "C" front, topped by a large "C" and small "E" and "S". A great deal of work by Billy Gueho and Raymond Terpenning resulted in the selection of the exclusive pattern which now is the pride of Coquitlam High.

Plans for the second annual high school carnival are under way. It will take place April 23, and the proceeds are going to be used by the students' council for the Red Cross and school purposes.

Recently grades 9, 10, 11 held a vocational conference. The speakers were sponsored by the Kiwanis Club of New Westminster. They spoke on lumbering, fishing, railroading, building trades, nursing, stenography, hair dressing and dactylating. These vocational conferences were enjoyed by all the pupils of the school.

## Fraser Boys Look Natty In Uniforms

By PETE BOYD

The air cadets of Hugh M. Fraser have received their uniforms and the appearance of the cadets in the class rooms in their natty outfits has caused considerable stir. The corps has secured the services of Sergeant Major Louden of the R.C.A.F., who is very generously giving of his time to whip the boys into shape for the inspection.

A week ago Fraser was host to the Senior boys and girls basketball teams of Powell River who journeyed here to play the annual game between the two schools.

Fraser's girls won an easy victory, 31-6. However, the boys were not quite so fortunate, losing a very closely contested match, 22-18.

The game turned out to be a real thriller and comments were heard everywhere about the greatly improved standard of basketball that was in evidence at Fraser this year.

## Magee Rifle Range Popular With Boys

By JUNE STEIN

An innovation for Magee's Cadet Corps this year is a new rifle range.

The range which is 20 and 25 yards long, is large enough to allow six boys to shoot at once.

Next year, instructors G. Ledingham of the military cadets, and R. Thomas of the air force cadets, hope to enter teams in nationwide cadet competitions. Meanwhile, Magee's "Crack shots" spend as much spare time as they can on the range, preparing to win new laurels.

When Peter Minut purchased Manhattan Island from the Indians for \$24 in trinkets the town's population was less than 200.

YOUR SCRAP BOOK YIELDS A FASCINATING QUILT

## HIGH SCHOOL Chit-Chat

By ANNE McBRIDE

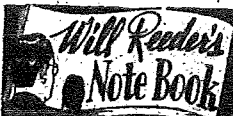

Have you noticed the many "foreign" sweaters and club pins around your school this term? The high school students, not to be outdone by the "frats" and sororities of Varsity have been forming their own clubs.

These groups have sweaters and pins specially made and hold meetings at each other's homes usually every two weeks. While the majority are for social affairs, many do Red Cross and Welfare work also.

Last year John Oliver had the "F. of L. and K." This fraternity was composed of 15 specially selected males. The club was purely extra-curricular and did not have a school sponsor. Then there's the "Bachelorettes," a compact inter high school club. The girls get a bang out of their "hen" parties which usually consist of an evening of skating, bowling and hamburgers.

Latest of these organizations is the "Kikikums," 10 girls from King Ed, who have dreamed up the unique idea of sending club invitations for their social functions. Uniform dress for the club is a red pleated skirt worn with white sweaters. Among their resolutions are visits to various hospitals throughout the city for the purpose of cheering patients with books, flowers, etc. They also do Red Cross work.

At the last Grab Bab meeting some of the members were asked what they thought about working on farms in the holidays. Joan Jameson of King George said that if it would help the government it is a fine idea. Stan Sherriff and Peter Neilson, ex-Mageeites, thought the government should put the Japanese to work in the fields.

The following was included in The Vancouver Sun's radio program, "Will Reeder's Note Book," over CKWX (580 cycles) at 10:30 a.m. daily, except Saturdays and Sundays.

JUST SO!

Look pleasant if you can. In any case don't talk. A physician was exasperated by a woman who insisted on telling him her child's symptoms instead of letting the child answer his questions for herself. At last he bade her put out her tongue. "But I'm not the one who is sick." "Put out your tongue," he repeated sternly. The woman did so. "Now keep it out"—and he proceeded with the examination.

When everything goes crooked and seems inclined to rife. Don't kick, nor fuss, nor fidget. Just—your—smile!

## Canadians Arrive Back from England

EDMONTON, March 31.—Back from England, 23 soldiers arrived in Edmonton Monday and seven officers and 21 other ranks were expected to arrive later in the day.

Sixteen of those already back are casualties, the other seven are back to take up new duties as instructors.

The makers of JOHNSON'S WAX,

SPONSORS OF

## FIBBER MCGEE & MOLLY

are pleased to relinquish their usual time tonight in order that you may hear the National Hockey League Play-Off Game. FIBBER MCGEE & MOLLY will be back as usual at 9:30 p.m. next Tuesday, April 7th.

## JAPANESE FISHING VESSELS

The Japanese Fishing Vessels Disposal Committee was constituted by Order-in-Council P.C. 283, January 13th, 1942, for the purpose of implementing an effective plan to transfer impounded Japanese fishing vessels to new owners, who must be Canadian citizens, of other than Japanese origin.

Prospective purchasers should be experienced fishermen, who propose using the vessels in the fishing industry of British Columbia. They should negotiate directly with the Japanese owner of the ship they wish to buy, or with his representative.

Descriptive details of vessels are available in the offices of the Committee, which may be freely examined by those interested.

When an agreement for sale and purchase has been made by the Japanese owner and the buyer, details of the transaction should be submitted to the Committee, and, if approved, the transfer of the vessel can be promptly completed.

If an agreement cannot be reached between the vendor and the purchaser, the Committee will arbitrate the differences. **IF THE VENDOR DOES NOT AGREE TO ARBITRATE, THE COMMITTEE WILL SET A PRICE AT WHICH THE VESSEL MUST BE SOLD.**

Only outright sales, enabling transfer of title of vessel, will be approved by the Committee. In the event of a purchase involving term payments to the seller, the balance to be paid must be secured by mortgage.

PERMITS FOR INSPECTION OF VESSELS CAN NOW BE OBTAINED:

- AT THE COMMITTEE'S OFFICES, 1523 MARINE BUILDING, VANCOUVER.
- IN THE CASE OF RESIDENTS OF NEW WESTMINSTER OR VICINITY, BY APPLYING BY LETTER, TELEPHONE OR TELEGRAPH TO THE OFFICE OF THE COMMITTEE, WHO WILL ARRANGE THAT PERMITS WILL BE ISSUED BY THE NAVAL OFFICE, PACIFIC COAST TERMINALS, NEW WESTMINSTER, ON PRODUCTION OF THE PROPER CREDENTIALS AND REGISTRATION CARDS.

To prospective purchasers living at a distance from Vancouver, the following procedure is suggested:

When a specifically desired vessel is known, as well as the name and address of the owner, direct negotiations should be carried out in accordance with the procedure outlined above.

Where the vessel is known, but not the owner or his whereabouts, the Committee's office will assist in supplying the information. **THE PROCEDURE WILL THEN BE THAT OUTLINED IN ABOVE PARAGRAPHS.**

In the case of fishermen not having any specific vessel in mind, but desiring to purchase one or more of the impounded vessels for active fishing service in British Columbia waters, he should write this office, giving the following information:

- Type and size of vessel required.
- The class of fishing he primarily proposes, and the probable general fishing location.
- Amount of cash payment he is prepared to make.
- What terms are required for the balance of total purchase price.

With this information on hand, this office will endeavour to have Japanese owners, OR ACCREDITED REPRESENTATIVES, communicate with the prospective purchaser. **IF THIS CONTACT CANNOT BE ESTABLISHED, THE PURCHASER SHALL BE INFORMED, AND HE SHOULD THEN CALL ON THE COMMITTEE OR SEND HIS ACCREDITED AGENT WITH AUTHORITY TO PURCHASE; AND EITHER PARTY WILL THEN RECEIVE FULL ASSISTANCE FROM THE COMMITTEE.**

All communications should be addressed to the Committee.

## JAPANESE FISHING VESSELS DISPOSAL COMMITTEE

Vancouver, B.C.  
March 30, 1942.

SIDNEY A. SMITH, Chairman

CIRCULAR NO. 2

All changes from Circular No. 1 are shown in bold type.
