## Boys Capsize in Home-made Kayak

WEST VANCOUVER, July 16.  
—Two would-be "Eskimos" had  
their enthusiasm for sailing  
dampened Wednesday afternoon  
at West Bay, when their home-  
made kayak overturned.

Donald Hardy, 11, and Michael

Allan, 10, were testing the possi-  
bilities of their new canoe when  
a large wave caught the small  
craft sideways and overturned it.  
Two men in a rowboat brought  
them safely to shore.

There were 248,000 publicly  
owned trucks in use on U.S.  
highways at the close of 1940.
