

Arena Plans Step Nearer

Proposals for a new arena will be laid on June 2, when the City Council meets. The plan is to build a new arena on the site of the old one, which was destroyed by fire in 1937. The new arena will be a modern building, with a seating capacity of 10,000. It will be built on a site of about 10 acres, and will be a permanent structure. Tax By-Law Introduced

Replacing the present 20-year agreement, which expires at the end of this year, a new by-law, setting the fixed taxation on the Empress Hotel property at \$14,000 annually for 30 years, was introduced and given first reading at a meeting of the City Council yesterday.

The Empress Hotel is the largest hotel in the city, and is one of the most important properties. The new by-law will ensure that the hotel pays a fair share of the city's expenses.
