MEDICINE HAT — (CP) — Oil revenue is regarded by the Alberta Government as a capital resource. Municipal Affairs Minister E. Gerhart told the 46th annual convention of the Union of Alberta Municipalities.

# Nazi Victim Legally Dead

A skilled machinist in a Yugoslav aircraft plant, reportedly abducted by the Germans in March, 1943, was presumed dead Thursday by Mr. Justice Macfarlane in Supreme Court on application of his wife.

Ernst Kastelitz, married nine years ago in Yugoslavia, left for work one day in March, 1943, and did not return. His wife left him and a group of other workers had been taken from the factory by uniformed Germans.

Then came the pivotal bid of the deal. North's four-no-trump club, which was intended not as a request for spades.

North was unwilling to contract for slam himself for fear that a diamond opening lead through the king might yield the opposition two tricks at the get-go.
