Dear Sir:

The administration of your affairs by this office has now been completed and it is felt you would like to be supplied with a brief summary.

In your declaration of March 14, 1942, you certify that you had no real property of any kind in the protected area in British Columbia. It was found, however, that you were the owner of a one-third interest in the W. 33 ft, Blk. 18, S. 110 acres, D.L. 598, Municipality of North Vancouver. This property was subject to complete expropriation which was exercised by the Corporation of the District of North Vancouver. The compensation received was \$31.90 and we have credited to your account one-third of this sum, \$10.64 less charges of 34¢ for a certificate of encumbrance leaving a net amount of \$10.30.

We note on your declaration that you have a liability of \$10.00 which was owing to your landlord before evacuation. We would kindly ask you to answer our letter of January 16th with reference to this liability.

It would appear that we have accounted for all property left by you in the protected area which was vested in the Custodian.

In order that you may confirm and acknowledge your credit outstanding with the Custodian at the present time in the amount of \$10.30 we are enclosing a stamped addressed envelope for your convenience in replying.

Yours truly,
