GENERAL SUMMARY

File No. 443

August 8, 1946.

Re: Hatsumi OKURA, Reg. No. 10261

This woman signed a declaration to the Custodian on March 18, 1942, in which she stated that she owned no property of any kind in the protected area.

On April 22, 1946, however, she inquired about a trunk left in Steveston at the home of her father, Kichijiro HASHIMOTO (File 2790). When inventory was taken, in November, 1945, of the goods in Steveston storage, a trunk and other articles were found identified by the name Hatsumi OKURA. The trunk and saleable contents were sold at auction for the net sum of \$17.12, which was credited to the account of Kakutaro OKURA, File 1288, husband of this woman. As Mrs. OKURA has no account we are remitting this sum to her from her husband's account.

This file reveals no other property.

This file reveals no liabilities.

This summary is certified to be
in accordance with information
on file.

x The carton of dry goods shipped and received by OKURA
on June 24, 1943, appears to be the contents of the
dresser, but may also have included the paper box numbered (6).

Summary: The goods sold for this man were sold at Telegraph Creek by the
Company at prices placed on the individual items by OKURA. No
expenses or commissions were charged. The total credit from
these sales was \$28.00, which was remitted to OKURA on June 7/46.

OKURA has acknowledged receipt of the sewing machine, tub of soyo,
box of tools, trunk of clothes.

In letter of June 24/43, OKURA reported a flower vase and two
cushions as missing from the shipment.

The bed, which OKURA valued at \$15.00, was to be sold and Telegraph
Cove Mills "td. stated on August 8, 1944, that when this was sold
the proceeds would be sent to this office. We do not appear to
have received any proceeds from the sale of this bed.

From OKURA's letter it would appear that the kitchenware was
not packed. It would seem that this kitchenware must be con-
sidered a total loss. OKURA placed a value of \$45.00 on these
goods.

This summary is certified to
be in accordance with in-
formation on file.
