Re: Files 612, 637, & Intermex 1081  
and chattels on hand at Fall Creek, B. C.

Attached are two letters received from Mr. H. R. Madley, Madley Shingle Mill, Mistral Island, B. C. I have been unable to trace the inquiry mentioned in Mr. Madley's letter of April 6, 1946. It is possible that some of the three files listed above are concerned in the chattels stored at Fall Creek. From the three files referred to I have obtained the following information:

File 612. Intermex 1081. Re: Mr. 1081. Declared 3 beds, 1 kitchen stove, 1 wash boiler, 1 sink, stored in a shed on float. No record of sale or shipment.

File 637. Mrs. Ichimasa ICHIMASA. Re: Mr. 1081. Declared in addition to the 3 beds and stove reported by her husband, 6 chairs, 1 table and kitchen utensils. On May 21, 1943, Mr. Madley reported that he had shipped four boxes of kitchen utensils to Mrs. ICHIMASA.

Intermex File 1081. Re: Mr. 1081. Declared, 1 complete house lot, 1 bureau, 1 kitchen stove, 1 wash boiler stove, 1 kitchen cabinet, 1 dining table, 3 chairs, 1 small bedside table, 3 boxes chinaware, 1 box kitchen utensils, 1 Aladdin coal oil lamp, 1 greenhouse, approx. value \$250.00, stored in company house. He later reported that his chattels were stored in float house belonging to Ichimasa ICHIMASA, File 612. The Aladdin lamp was stolen during Mr. Madley's absence in 1942.

At the time the lamp was stolen a tool chest belonging to an unidentified Mr. THOMAS. Theft reported by Mr. Madley December 16, 1942.

According to reports from Mr. Madley all the goods belonging to Intermex that he had knowledge of were stored in the float house belonging to ICHIMASA. This float-house, according to letters received from Mr. Madley from time to time, was being cared for by Mr. Madley to the extent that he moved it along with his own equipment as he moved from place to place in his logging operations. Such in 1943, he remarked in a letter "The care has been quite a problem and I would like very much to be free of it". Which is understandable.

It would seem that something should be done about these chattels and float house to release Mr. Madley from this burden.

Dear Sir:

In looking over your "JP" form of information, dated the 23rd of March, 1942, we note that you indicated as owing to you from Ueimatsu of Call Creek, B. C. the sum of \$20.00.

We wrote to you on the 30th of June, 1943, advising that we could not locate such a person, and that he was not registered with the Royal Canadian Mounted Police.

We also note that you owe \$50.00 to Takahashi Logging Co., Call Creek, B. C.

We shall require information from you as to whether Ueimatsu still owes you \$20.00, and if so, his full first name, former address and occupation, approximate age, etc.

We shall also require information as to whether you still owe \$50.00 to Takahashi Logging Co., and if so, what has become of the said Company, and also if you are prepared to forward this amount to our office in payment of the acknowledged debt.

Please reply by return mail.

Yours truly,

A. McAlister,

A letter from Mr. Hadley at Bones Bay dated  
May 21st, 1943 runs as follows:

"Nothing more has happened to their belongings since the time I told you about last December 16th as the place is never without a watchman now."

The reference to December 16th is to a report that one or two items had been stolen.

Dear Sir:

Re: Mrs. Ichinosuke ICHIKAWA, Mr. Ichinosuke ICHIKAWA,  
Mr. Satoshi TAMANE, Mr. Katsuji UHIEJIMA and  
TAKAHASHI, K & COMPANY LTD.

Thank you very much for your letter of December the 3rd and your kindness in giving us all the information.

We notice that a box of tools belonging to Mr. Tamane (whom in the absence of further information, we assume to be the gentleman whose name is given on the head of this letter) and an Aladdin Lamp belonging to Uehijima have been stolen. This is a matter we have quite some trouble with in isolated places and we thank you for what you have done to trace the missing articles.

We notice that the float house belonging to Mr. and Mrs. Ichikawa will probably have to be beached before long. For the time being the contents are safe enough and may stay where they are. This seems very satisfactory for the time being and we should be much obliged if you would continue to offer your good offices in keeping an eye on this man's things. Later on, we may have to come to some decision about shipment or their disposal and we will then, if we may, apply to you for your advice and assistance.

Finally, we have had a call from a Chinese who is anxious to purchase the Logging Camp on floats at Galls Creek, Crocroft Island, belonging to Mr. K. Takahashi. We will contact Mr. Takahashi and if he is willing, will request Mr. Leong, the purchaser, to contact you. Perhaps you will be so kind as to show him anything he wants to see.

Yours truly,

H. F. Green

Dear Sir:—

Your letter of April  
25 received,

The goods which you  
mention are here stored in a  
shack on a float belonging  
to Ichikawa Ishinosuke.

I was given orders to  
sell if possible <sup>at</sup> the sum you  
mention 250. or keep it until  
their return, but as the price is  
far too much I know it won't  
be sold. however at present it  
is no task to look after these things  
and it would be quite a job to  
pack and ship them as no boat  
calls here now. and my boat is very  
small to freight heavy articles any  
distance, but when this camp starts  
in operation again the boat will  
call and it would be much easier  
then if you should wish them

shipped. I do not know of any other effects left by evacuated Japanese. The rest of the camp belongs to Mrs. Takahashi as far as I know, with the exception of my house and shingle mill which is all tied up in a bay seven miles in Call Creek

Trusting this is satisfactory

Yours truly
