CHattel SUMMARY

Re: Mitsu FUJINO, Regn. No. 06796
& Mr. Masakichi FUJINO
Regn. No. 05589

Mitsu Fujino (file 9994) and Masakichi Fujino (file 741) are summarized together insofar as chattels are concerned.

Mitsu (9994) declared household chattels on her Form "JP" dated 26/May/42 and this list appears on the Schedule. She stated that all chattels EXCEPT ONE STOVE and 1 table had been stored at home of Fukushima (file 3319).

Masakichi (741) on Form "JP" declared ownership of household goods in an amount of "\$400/\$500", but did not submit an inventory.

On 20/Nov/42 an inventory was forwarded by this office under covering letter to the Fujinos. This was returned signed "M. Fujino" and may be found on file 9994.

A letter to Masakichi Fujino is on file 741 under date of 4/Aug/42 and states that "a stove, 4 HM tables and benches, are still in the Cannery House formerly occupied by you".

These articles have been added to the inventory compiled by this office WITH THE EXCEPTION OF THE STOVE WHICH IS DEALT WITH IN ANOTHER PARAGRAPH.

Various articles were shipped on 18 and 21/Apr/44. These are listed on the Schedule. A 'gramophone', not inventoried by either Fujino or this office was shipped to them 21/Apr/44 after being requested in a requisition dated 20/Mar/44 (file 741).

A 'spade' was listed as being sold 12/May/44. This was not inventoried by either the Fujino's or this office. As the amount received (90¢) was credited to (Mrs.) Mitsu Fujino (9994) and her account having been closed prior to this Summary, this article and amount cannot be transferred to Suspense pending proof of ownership.

A 'stove' was declared by Mitsu (9994) on Form "JP" and left as per previous paragraph in her own home. This was sold 18/May/45 and the proceeds (\$2.00) credited to her account.

On file 741 under date of 14/June/45 appears an appraisal list of 'stoves'. One purchased for \$5.00 by the B. C. Packers was credited to Masakichi Fujino in 15/June/45 ledger entry. As only one stove was declared by the Fujinos in their declarations, and the sale in the previous paragraph was credited to (Mrs.) Mitsu Fujino (9994), a transfer of this last sale amount has been effected by the undersigned as of 17/Sept/47, transferring this amount from credit of file 741 to Suspense.

The above Summary is certified to be in accordance with the information on file:

minster. C. of E. 50848.

You have previously been advised that a sale of lands in rural districts was entered into between this Department and The Director, The Veterans' Land Act.

Due to the size of this transaction, the arrangements for same and the completion of the transfer have taken a considerable time. Negotiations were started in the early part of 1943 and were based upon valuations made by qualified appraisers and on the basis of a sale effective as at January 1st of that year. This means that the 1943 revenues from the property were for the benefit of the purchasers, but that taxes, fire insurance and other operating charges were assumed by them.

The following is a statement showing the sale price and adjustments:

Sale price of above described property	\$ 79.00
Add:	
Unexpired insurance premium as at January 1st, 1943	\$ 79.00

Less:

Tax arrears to December 31st, 1942	\$
Registration fee	3.00
Encumbrance—Principal	
—Interest	\$ 3.00
Net proceeds of sale	\$ 76.00

This amount has been placed to your credit and a statement of your account is endorsed hereon showing the present balance on our books. A small amount for legal fees in connection with the conveyance to the Veterans' land will be charged later.

Yours truly,

F. G. SHEARS,
Director.

Remarks: This Lot 7 without buildings adjoins Lot 6 without buildings. The subdivision was made for the Japanese fishermen. Some of them are said to have owned the larger packers' boats. To me there is little to recommend it for a homesite. Dyke blocks out all view of the river and on account of its being in the direct line of the Air Port runways a mile to the east, there is an almost continuous roar of planes as they rise and cross directly overhead.

There is no fuel on the Island.

Dear Sir:

In your registration form of April 3rd, you declared some nets as well as furniture, household effects, and kitchen utensils at the Acme Cannery, Eburne. On investigation, we find that a stove, four home-made tables and benches, are still in the Cannery House formerly occupied by you.

Additionally a quantity of goods marked with your name are still in the basement of the house owned by Jisuke Fukushima at the Acme Cannery. It will be impossible to take an inventory of these goods without moving them all which would be expensive.

Are you satisfied with this arrangement for the care of your effects? Do you consider that they are sufficiently valuable to be insured against fire and if so, for how much? In this case, kindly send us sufficient money for the premium.

Dear Sir:

Re: Sale of Rural Property.

The Custodian has recently accepted an offer received from The Director, The Veterans' Land Act, to purchase a large number of Japanese-owned rural properties.

We are writing to advise you that a property which you own, or have an interest in, is included in this deal.

The sale was made effective as at January 1st last and adjustments will be made as at that date and rentals received in the current year will accrue to the Director of the Veterans' Land Act.

As this is a transaction of considerable size it will take some time to make all the necessary adjustments and receive payment. In due course, however, we will supply you with full details as it concerns your own particular property, showing the adjustments which have been made and the amount which will be placed to your credit.

We would suggest that further correspondence from you in regard to this matter should be delayed until we are in a position to supply complete information and make the proceeds of sale available to you, subject to the adjustments mentioned above, and to any legitimate claims filed with the Custodian.

In due course, therefore, you may expect to hear from us further in regard to this matter.

Yours truly,

Concerning the sale of my Mito you stated
the net amount was \$25.00, this is a very low amount compared
to the 2 mito I had stored at Sea Island a approximate amount
of about \$315.00. Could you tell me why they were sold so cheap.
These mito were sewed by me and ~~had~~ never been used.

Dear Sirs:

Re: Masakichi FUJINO,
Registration No. 05589

We have been requested by the Department of Labour,
Japanese Division to write you with reference to the above.

When Fujino registered with us in April, 1942 he
declared ten \$5.00 War Savings Certificates in the Royal
Bank of Canada, Main and Hastings Street and "about \$3,000.00"
in Savings Account number 1810 in the Royal Bank, Main &
Hastings Street. These two items did not come under the
control of the Custodian.

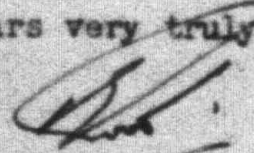

He owned a $\frac{1}{2}$ acre of vacant land in the Richmond
Municipality. This was sold by us for \$79.00.

We at present hold no assets belonging to this man
and our remittances to him have consisted of \$42.21 -
July 24, 1945 and \$100.84 - September 18, 1945. The latter
remittance closed his account.

Fujino owned a fishing boat, which was sold by the
Japanese Fishing Vessel Disposal Committee and the nett
proceeds of \$990.00 were remitted to him by the Committee
on the 25th March 1942.

His wife stated in her declaration that she had
\$250.00 on deposit with the Royal Bank of Canada, Marpole
Branch, and our only remittance to her was \$2.51 on May 5,
1947. We hold no assets on her account.

Yours very truly,

B. Good
