CHATELS:

The above was interned on April 21, 1942, and released on December 22, 1942, to Pigeon River Timber Co., Neys, Ont. He made his declaration to the Custodian on January 28th, 1943, and declared fishing nets and lines to the value of \$1000.00 and carpenter's tools valued at \$100.00, left at the Terra Nova Cannery, Sea Island. On June 1st, 1942, we wrote to the Terra Nova Cannery asking them to give us full particulars about the equipment left by the above at the Terra Nova Cannery. On June 5th, 1942, Mr. Gillespie, the Manager of the Imperial Cannery, sent us a list of the nets, numbered 1-7, left by KOYANAGI at the Terra Nova Cannery, but made no mention of any tools left there by him. (It is noted that on July 7, 1942, the Commandant of the Petawawa Internment Camp wrote to us advising that KOYANAGI wished his nets and tools to remain at the Terra Nova Cannery. On Feb. 23/43 our Steveston representative, Mr. C. C. Robinson, inventoried these nets at the Cannery, but did not remove them from the Cannery. Nets numbered 2 and 4 were sold to the Imperial Cannery for the sums of \$135.00 and \$175.00 respectively, these being the values set on these nets by KOYANAGI as shown on the list dated June 5/42, from the Imperial Cannery. A piece of No. 3 and a spring net were sold for a total of \$49.00, and these three amounts totalling \$359.00, were credited to the account of KOYANAGI. Two nets were most likely discarded as being of no value and one was not found at the Cannery. A row boat found at the Terra Nova Cannery was first credited to Yukio KOYANAGI, but as he did not declare one, and Mitsuo KOYANAGI, (File 1221), did declare one left at the Terra Nova Cannery, the proceeds from sale of this in the sum of \$10.00, were transferred from the account of the above to the account of Mitsuo KOYANAGI on March 1st, 1946.

SPECIFIED ARTICLES:

A fishing vessel, the "Y.K." was licensed in the name of Masaru KOYANAGI. Information supplied to this office through the Japanese Fishing Vessel Disposal Committee stated that Yukio KOYANAGI was the licensed and actual owner. Sales papers were signed by the Custodian on behalf of Yukio KOYANAGI. However a letter from Yukio KOYANAGI dated June 30/42 states that this boat was not his but belonged to Masaru KOYANAGI. The net proceeds from sale of this boat in the amount of \$641.00, were therefore transferred to the account of Masaru KOYANAGI. Full details given on Specified Articles Summary on file.

Yukio KOYANAGI was the registered owner of a vessel, the Miss Terra Nova, which was sold through the Japanese Fishing Vessel Disposal Committee for the net sum of \$482.60, and this amount was paid to the Custodian and credited to the account of Yukio KOYANAGI.

VICTORY BOND:

In his statement of assets dated May 11th, 1942, he declared ownership of a \$50.00 Victory Bond. On June 10th, 1942, we wrote to the Camp Commandant at Petawawa Camp #33, and asked him to forward this Bond to our office for safe keeping. It was received in this office

on June 20/42. On August 27/42 KOYANAGI requested us to sell this Bond. It was sold on September 19/42 for the total sum of \$51.89 and this amount was credited to his account.

**BANK
ACCOUNT:**

On June 16th, 1942, the Japan and Canada Trust Co. forwarded us the information that the above Internee had a sum of \$94.96 deposited with them. This was transferred to this office and credited to his account.

**LIFE
INSURANCE:**

The above declared a \$1000.00 life insurance policy with the Sun Life Insurance Co. This was a 25 year endowment policy taken out in 1914, the beneficiary being his mother, Koto KOYANAGI. The following premiums were paid on this policy at the request of Yukio KOYANAGI:

Oct. 16/42	\$35.84
Aug. 31/43	36.14
Nov. 6/44	35.98
Nov. 3/45	34.99
	<u>\$142.95</u>

These amounts were deducted from his credit balance with this office.

The following is a statement of his account:

	<u>CREDIT</u>	<u>DEBIT</u>
Proceeds from sale of nets	\$359.00	
Proceeds from sale of boat	482.60	
Proceeds from sale of Bond	51.89	
Money from Japan & Canada Trust Acct.	94.96

NOTE: A skiff was found tagged 'U'. (Yukio) KOYANAGI. This was sold for \$10.00. As Yukio did not declare a skiff with the Custodian, and as Mitsuo KOYANAGI, File No. 1221, declared a skiff that was not found, the funds derived from the sale of this skiff were credited to Mitsuo's account. However, on examination of the Cannery records it may be seen that Yukio did declare a skiff left at Terra Nova Cannery with his nets. As the funds derived from the sale of this row boat have already been sent to Mitsuo KOYANAGI, no adjustment can be made.

Terra Nova Cannery record book (held at this office) lists all nets which KOYANAGI declared to be left in their care. On June 5, 1942, the Cannery supplied this office with a list of the nets which they held as of that date. A memo to the file dated March 8, 1946, signed by E. Bridson of this office lists the fishing equipment reportedly sold direct to B.C. Packers by the Japanese Fishermen. The Custodian had no information that Japanese fishermen were selling direct. It was assumed that the nets not listed on the inventory of June 5, 1942 were disposed of by KOYANAGI. However, his letter dated May 6, 1946, states "Concerning your letter of April 17th, 1946) " I notice that the B. C. Packers has told you that some of my fishing nets are sold to them & being paid to me. To this news I am very disappointed as I have not sold any to that company & not a cent have I received. I had far more than \$359.00 worth of fishing goods."

Dear Sir,

I have received the
cheque of \$10.50 for which I thank
you.

Concerning your letter I notice
that the B. C. Packer has told you
that some of my fishing nets are sold to
them & being paid to me. To this news
I am very disappointed as I have
not sold any to that company & not a
cent have I received. I had far
more than \$50.00 worth of fishing
goods.

Before I had to evacuate from the
coast, all my fishing equipments were
written down & their costs, by the
Employees of the B. C. Packer at Burr

Nova Cannery & handed over to me.
So will you kindly, though such a
bother to you, check up which ones
are being sold & their prices. I will
enclose the "written slip" of all my
fishing goods. The employee who was
in charge at that time was Dick Jamme-
son, & he has given me this slip.

Will you please write and let me
know?

Thanking you for all the trouble, I
remain.

Sincerely yours,

Reg. No. 05223

The following list of fishing equipment was sold direct to the B. C. Packers Co. Ltd., by the Japanese fishermen, or credited to their accounts for money owing to the Cannery.

In accordance with arrangements made with the Cannery these lists were obtained direct from them on February 14, 1946, by the Custodian, and the original records remained with the B. C. Packers Co.

The Custodian had no information from the Japanese fishermen of their selling or receiving money direct from the Cannery.

Dear Sir:

Re: Fishing Equipment left by
Japanese

On June 5th you advised me that fishing equipment had been left at your Terra Nova Cannery by the undernoted Internees,

P/W P-1326, KOYANAGI, Yukio
P/W P-1339, SHIMANO, Keishiro
P/W P-1399, KOYANAGI, Tadatochi
P/W P-1325, NEGORO, Hiroshi

On July 3rd I gave Mr. W. Kleaman a letter to the Manager of your Terra Nova Cannery asking him to allow Mr. Kleaman to inspect the lines belonging to Mr. Tadatochi Koyanagi. Mr. Kleaman went out to the Cannery and later telephoned me to say that he had been advised that this Japanese did not have any equipment stored at the Cannery but that all his equipment which he left there had been purchased by the Cannery before his internment. He was further told that the Cannery had no equipment stored for any Japanese.

It would be very much appreciated if you would advise me whether or not the above information is correct in order that our files may be clarified.

If you have had equipment for any other Japanese, it would be appreciated if you would include this in your report.

Your co-operation in this matter would be greatly appreciated.

In accord with your communication of the
6th instant, we forwarded the documents to the Camp Commandant
with instructions to have the Internee execute the same.

We have received a letter from the Camp
Commandant dated August 10th, as follows -

- "1. Reference your letter file 481 dated August 6th, regarding the
m/n P/W
2. The contents of your letter was explained to the above P/W
and according to his statement, he does not agree to the sale
of his boat at the price mentioned. He further states that
he estimates the value of this boat at \$1000.00 at least.
3. Under the circumstances therefore, we return herewith Agree-
ment and Claim Assignment Form."

Will you be kind enough to let us have
complete information regarding the value of the boat and particulars
as to the sale. We understand that tenders were called for some
time ago and would be obliged if you would confirm this. A copy of
your valuation might also prove useful in this case. It is suggested
that in future when you are sending the transfers that all details
relating to the sale be included in the covering letter so that we
may place it before the Internee when asking him to execute the
documents. In this way we hope to avoid many refusals.

 "MISS TARRA (AOUA)"? Van 2570 NW 019H

We beg to acknowledge receipt of your letter of the 20th instant and note your remarks. However, as I have already advised you the appraised price put on the vessels was done by a qualified man. As stated in the letter addressed to the Japanese owners, they have had months in which to sell their boats, and the very fact that have not done so shows that their prices were much too high. We would repeat that Mr. Koyanagi has had months in which to sell his boat and did not do so. The Navy, naturally, cannot keep the boats lying idle in their custody for an unlimited length of time.

We would point out that the correct name of this vessel is "MISS TARRA AOUTA" and not "MISS TERRA NOVA" as given in your file reference.

We beg to acknowledge receipt of your letter of the 17th instant. The appraisal put on this vessel was on the same basis as that put on all the other vessels at that time.

It is quite evident that the owner was holding out for too much money otherwise he would have sold the vessel a considerable time ago. The appraised value put on these vessels was done by a competent man who took no account whatsoever of the price set by the owner. In most cases, the prices put on by the owners, were very much out of line. This is the reason why the boats were not sold easily.

Gentlemen: Re: M.V. "M.K.". Licence No. NW.1805

Replying to yours of the 26th inst. I wish to advise that our records show that, as at December 7, 1941, the owner of the above vessel was Yukio KOYANAGI, Terra Nova Cannery, Eburne, B. C., in whose name the vessel was recorded on June 6, 1941.

The history of this case is somewhat involved, but is, in brief, as follows:

Masaru Koyanagi, R.R.No. 1, Eburne, originally applied to have the title transferred to his name, and presented, to prove his ownership, a Bill of Sale given him by Kishi Hamaura, widow of the then recorded owner, Masaichi Hamaura, who had died intestate.

This Bill of Sale was not accepted by the Department, and eventually Letters of Administration were issued to Kishi Hamaura, who then issued a Bill of Sale to Yukio Koyanagi, which was subsequently registered. The application of Masaru Koyanagi was apparently withdrawn.

I trust that this information will clarify the situation for you.

Dear Sir:

In accordance with your request we now enclose a cheque for the total amount of your credit balance with this office in the sum of \$810.50.

Your file has been reviewed and it is noted that when you made your declaration to the Custodian on January 28th, 1943, you declared fishing nets and lines and carpenter's tools left at the Terra Nova Cannery. All nets found of any value at this cannery in your name were sold by the Custodian for the sum of \$359.00, and this amount was credited to your account. According to information received, you have sold direct to the B. G. Packers Ltd., without our knowledge or consent, certain fishing equipment for which they paid you, or credited your account with them. The Cannery made no mention of any tools left there by you.

According to information supplied to this office you were the registered owner of two fishing vessels, the "Y.K." and the "Miss Terra Nova". The "Y.K." was sold for the net sum of \$641.00 and this amount credited to your account. You advised us on June 30th, 1942, that the real owner of this vessel was Masaru KOYANAGI, and we therefore transferred these funds to his credit. The "Miss Terra Nova" was sold through the Japanese Fishing Vessel Disposal Committee for the net sum of \$482.60 and this amount was paid to the Custodian and credited to your account.

You declared ownership of a Victory Bond valued at \$50.00. This bond was sent to this office from Petawawa Camp on June 20th, 1942. On August 27th, 1942, you requested us to sell this bond for you. It was accordingly sold on September 19th, 1942, for the sum of \$51.89, and this amount was credited to your account.

On June 16th, 1942, the Japan and Canada Trust Company advised us that you had the sum of \$94.96 deposited with them. This amount was remitted to this office and credited to your account.

You declared a life insurance policy with the Sun Life Company in the sum of \$1000.00. At your request the following premiums were paid to the Company on your behalf from the funds standing to your credit with this office.

Y. Haganagi,
Mr. H.

THE CLAIMANT, the claimant herein, being
first duly sworn, testified
as follows:

EXAMINATION BY MR. HUNT:

Q. Is that your signature? A. Yes, sir.

Q. And was that form prepared upon your
instructions? A. Yes, sir.

Q. And do you swear the contents are true?

A. Yes, sir.

MR. HUNT: I am submitting as Exhibit 1 the
Personal Property Fishing Vessels claim.

(PARTICULARS OF PERSONAL CHATTELS FISHING
VESSELS CLAIM, MARKED HERIBET NO. 1)

THE SUB-COMMISSIONER: Personal property?

It is marked "Real property" on my list.

MR. HUNT: No. This is personal property only.
It relates to fishing gear.

THE SUB-COMMISSIONER: Mine is marked "Real
property."

MR. HUNT: It is entirely a fishing gear claim.
There is no boat involved since the boat was sold by
the J.F.V.B.C., rather than the Custodian.

Q. I understand that you carried on a fishing
business at Terra Nova, N.S., which is near or at
Hburne? A. Yes, sir.

Q. Had you been in the fishing business there
for very long? A. Yes, sir.

Q. How long? A. About eight years.

Q. About eight years? A. Yes, sir.

Q. Prior to evacuation? A. Yes, sir.

Q. I understand that you lived there, and you

Y. Koyanagi,
MR. M.

1 left most of your gear and nets at the Tsuru Kawa
2 Cannery. Is that correct? A. Yes, sir.

3 Q. And I take it that you sold most of your
4 fish to them? A. Yes, sir.

5 Q. You were doing business with them all the
6 time? A. Yes, sir.

7 Q. Knew them very well? A. Yes, sir.

8 Q. And did any other Japanese Canadians leave
9 their gear in this cannery? A. Yes; a couple.

10 Q. A couple of others? A. Yes.

11 Q. And did you prepare a list of the nets and
12 the gear which you left there at the time?

13 A. Yes.

14 Q. And to whom did you give that list?

15 A. I do not know the name of the person but the
16 man came over from the B.C. Packers and I told him the
17 price of that net and he said the net was worth so
18 much and he gave me a slip.

19 Q. Did he say he was an official of the Cana-
20 dian's office? A. No. I did not ask him any

21 questions, he just came over.

22 Q. He asked you all the questions?

23 A. Yes. He asked me the questions. He wanted
24 to see that net, what I got, such as Spring salmon
25 and Whitey salmon.

26 THE SUB-COMMISSIONER: Q. Did this man from the
27 B.C. Packers tell you to make out a list?

28 A. Yes. He gave me a slip. There was the
29 "B.C. Packers" on the top of the slip.

30

F. Kuykendall,
Director.

He took down a list of the nets and put the prices
alongside.

MR. BENT: I do not think it is an important
point since I believe the Custodian acknowledges that
he did get all the gear and the equipment and it is
largely a question of valuation.

THE SUB-COMMISSIONER: The E.C. Parker was the
the representative of the Custodian, I imagine.

MR. BENT: Yes; I think so.

Q. One or two questions about these nets.
You have several gill nets listed here and the total
valuation is \$500. Now, most of them apparently were
either one or two years old. How long do gillnets
usually last? A. They last - it all depends -
about three to three and one-half -

Q. That is, if they are used constantly during
the fishing season? A. Yes. The fishing season
is about two weeks long. The season is finished at
the end of August. It is finished until next year.
They only last about three to three and one-half years.

Q. Now about these lines, these leadlines and
work lines? Some of them apparently were two or three
years old. How long do they normally last?

A. About five or six years, if they are not
damaged.

Q. Where was this rebuttal left?

A. At the Terra Nova Cannery, Inc.

Q. And did you tell this man who came over to
make a list of your nets that you had the rebuttal?

A. No. He did not say anything about the rebuttal.

He just came over about the net.

Q. Was he the man who took down the information about the different lines and so on, too?

A. Yes. He gave me one slip.

Q. But you did not tell or say anything to him about the rowboat? A. No, I did not.

Q. Did you tell any other officer of the Custodian's department about the rowboat, that you had a rowboat and that you had left it at the cannery?

A. Yes, sir. I think one of the Navy officers who came over to see the boat, I said "This is the rowboat" and "This is the boat."

Q. That was when the Navy picked up your big boat? A. Yes.

CROSS-EXAMINATION BY MR. CHRISTIE:

Q. I am producing a J.P. Form, dated January 31, 1943. Is that your signature? A. Yes, sir.

Q. And you put the fishing nets and lines - your valuation - as \$1,000. there? A. This was when I was evacuated to Ontario and that I considered the price of the nets.

(J.P. FORM, JANUARY 31, 1943, MARKED EXHIBIT NO. 2)

Q. You signed an earlier J.P. Form, I believe in April; is that correct?

A. I think that is right.

Q. I just note this for the record. I will not file it. There was an earlier one signed on April 1, signed by Koyanagi, and for some reason it is marked

E. Hayanagi,
Dr. ex.

"cancelled" and it says in brackets under the statement
of "personal property": "Particulars of note, being
sent to custodian direct by the Torii House January."
What relation is Mitsuo Hayanagi to you?

A. I do not know.

Q. Are you related to him? A. No.

Q. Did you know him? A. Yes. I know
him.

Q. Well, did you know that he had a shirt, too?

A. Yes, he had.

Q. When you left this shirt of yours at the
summary did you put any kind of tag on it?

A. Yes. I put my name and number on it.

Q. If these notes are not in use do they
deteriorate? A. I do not think so.

Q. From where did you buy these notes?

A. I bought some from B.C. Packers and some
from Lipson.

Q. Are they made in British Columbia?

A. No. They come from Ireland.

Q. I think that is all, thank you.

MR. JUST: That is all, thank you.

MR. CHRISTIE: I am filing as Exhibit 3 the
Personal Property Summary.

(PERSONAL PROPERTY SUMMARY, MARKED EXHIBIT NO. 3)

I think perhaps I will file this "not statement"
dated October 2, 1947, as Exhibit 4.

E. Koyanagi claim.

(SEE STATEMENT, OCTOBER 3, 1947, MARKED
EXHIBIT No. 3)

I make a note of this for the record. It says:

"A shirt was found tagged 'Y' (Yukio)
Koyanagi. This was sold for \$15.00. As Yukio
did not declare a shirt with the custodian,
and as Mitsuo Koyanagi, File No. 12821, declared
a shirt that was not found, the funds derived
from the sale of this shirt were credited to
Mitsuo's account."

It is submitted, your honour, that the articles
of personal property which were sold were sold at their
fair market value.

In regard to the boat, the rebuttal it is submitted
that as this was not declared the Custodian cannot be
held responsible if the funds went to the wrong person.

That concludes the defense, your honour.

THE SUB-COMMISSIONER: Very well.
