Boat Claim: Boat - \$800.00 (Gross Claim)

Sale: This boat was sold by the Japanese Fishing Vessels Disposal Committee, and was released to purchaser on July 15, 1942.

On August 5, 1942, Unosuke Sakamoto to whom claimant had given Power of Attorney, March 26,1942, signed an Agreement of Sale transferring the boat to the Canadian Fishing Co. Ltd.; this company being the purchaser to whom the Committee had released the boat on July 15/42.

Sale Price: \$374.00 JFVDC Charges 6.24 (15 of sale price, plus \$2.50) Net \$367.78

Valuation: Phillipson - \$325.00 (JFVDC price: \$374.00)

Age: JFVDC "catalogue sheet" of information supplied by owner to JFVDC, shows boat as built in 1926 and engine reinstalled 1931.

This boat was identified as the "E.M." New Westminster Licence No. 159.

New Nestminster Licence 159 was issued in 1918. The licensing of he small boats was commenced on the Pacific Coast in the year 1918, so there is no means of learning whether this boat had operated previously without a licence.

At time of sale boat would be at least 24 years old.

Transcript: Page 5 - Claimant seems to be in error regarding date on which he gave Unosuke Sakamoto Power of Attorney, as document on file is dated March 26,1942.

No object in getting Power of Attorney after sale if boat-owner had not already appointed an Attorney to
act for him, negotiations re sale would have been
between boat-owner and the Committee. In this case
Sakamoto signed sales documents and acted as Morishita's
agent in negotiations with Committee.

Unosuke Sakamoto acted as representative of boat-owners from the Steveston area. He was not a member of the Japanese Fishing Vessels Disposal Committee.
