PERSONAL PROPERTY SUMMARY

May 14, 1946.

Re: Takeo TOSA, Registration No. 11957

This man signed a declaration to the Custodian on March 21, 1942.

In his declaration he reported fishing gear, kitchenware and porcelain in the house of John Eik at Tofino. The fishing gear, a gurdy, was sold for \$100.00 which was credited to this man's account. This amount was remitted to TOSA on July 19, 1944. The kitchenware and porcelain are presumably still at Tofino. We do not have a complete list of chattels on hand at that point. John Eik is now deceased.

This man reported 7 packages of household effects and a duffle bag at C.P.R. depot. These were released on March 26, 1942.

This man reported a motor launch, the "Sea Bride", in custody at New Westminster. The records of the Japanese Fishing Vessels Disposal Committee show that this boat was sold and the net proceeds in the amount of \$319.75 were credited to this man's account. This money was remitted to him on December 31, 1942 and January 12, 1944.

The account of this man was credited with the sum of \$21.75 received in full settlement of claim filed with the Japanese Fishing Vessels Disposal Committee for refund of expenses incurred at the time of the impounding of the vessel "Sea Bride".

This man reported \$50.00 Victory Bond in his own possession and a bank account in the Royal Bank of Canada with a balance of \$1,561.18. These items did not come under the control of this office. He declared a life insurance policy for \$1,000.00 with the Sun Life Assurance Co. A cheque for \$209.39 was remitted to TOSA on March 11, 1946, as cash surrender value of this policy. This cheque was remitted through this office as Custodian signed on behalf of beneficiary who is a resident of Japan.

The account of this man was credited with the sum of \$19.64 as proportionate share of the assets of the Tofino Japanese Association. This amount was remitted to TOSA on July 24, 1945.

This file reveals no other property of any kind.

This summary is certified to be in
accordance with information on file.

Dear Sir,-

I beg to advise you that I have examined the
gurdie owned by Takie Tosa and find it is a much older type
than I first thought and there is no fishing gear connected
with it which makes a big difference to the price. I would
think one hundred dollars would be a fair price for it as it
stands.

Many of the things that belonged to the Japanese
have recently disappeared, and I cannot take any responsibility
for what remains here, so would be glad if it could be sold as
soon as possible.

Yours truly
Johan Erik

Dear Sir,-

During April last we received a letter from you offering a gurdy for one hundred dollars the property of Takio Tosa, Japanese.

We have at last found a Buyer for this gurdy and he has given us one hundred dollars cash for it for which we are enclosing you our cheque for this amount.

We wish to add that we first saw Mr John Hik about the gurdy and he released it for the Fisherman so we trust it will be satisfactory to you.

Yours truly

Mr. Takeo TOSA,
Reg. No. 11957,
Lemon Creek,
Slocan, B.C.

Dear Sir:

We are in receipt of your letter of April 26, 1946, in which you lodge a claim for \$36.00 covering refund of expenses and six days' wages in connection with the impounding of an unnamed fishing vessel.

In reply we wish to inform you that your account with this office has been credited with the sum of \$21.75 which was received from the Canadian Government in full settlement of a claim for expenses incurred in connection with the impounding of the motor vessel "Sea Bride". This claim for \$21.75 was made up as follows:

Transportation - Steveston to Vancouver	\$.25
Hotel expenses, including meals - 2 days at Vancouver	4.75
Fare, Vancouver to Port Alberni	4.25
Fare, Port Alberni to Tofino	12.50
Total expenses	<u>\$21.75</u>

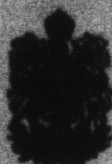

This claim was lodged with the Canadian Government by the Japanese Fishing Vessels Disposal Committee. It is our understanding that claims of this nature which were filed with the Committee were reported to the representatives of the fishermen after the boats had been impounded and that these representatives investigated the matter and verified the correctness of the claims.

When settlement of these claims was made by the Canadian Government the funds were paid into the Custodian and this office has placed to the credit of each of the fishermen concerned the sum received in settlement of his claim as shown by the list of claims turned in to the Custodian by the Japanese Fishing Vessels Disposal Committee. Only sufficient funds were paid in to this office to cover the claims which the Committee had lodged with the Canadian Government. The only interest the Custodian has had in these claims is to see that the funds are correctly credited to the account of the fishermen concerned. We are therefore not in a position to deal with the additional claim which you have lodged.

Yours truly,

F. Matheson,
Protection Department.
