Mr. Shinpei TAKAGI,  
Registration No. 06184,  
Kaslo, B. C.

Dear Sir:

Your file has been reviewed and the following is noted:

On March 28th, 1942 you declared that you had left a few items of furniture and kitchen utensils at 10.3 Auckland Street, New Westminster.

Subsequent to the foregoing date this house was rented and although, an endeavour was made to locate your effects nothing was found. The tenants claimed they had bought their own furniture. It is therefore, assumed that you disposed of your belongings before leaving the Protected Area.

It appears that we have accounted for all the property of every kind left by you in the Protected Area which vested in the Custodian and in order that you may confirm this we are enclosing a stamped addressed envelope.

Yours truly,

W. J. Iverson,  
Protection Dept.

Dear Sir:

Re: File No. 2514

I have for acknowledgement your letter of January 23rd, re my furniture etc. left at 1023 Auckland St., New Westminster, B. C.

This is to inform you that the above mentioned articles in question were left intact at the above address and reported to the Custodian in accordance to the instructions received and were never at any time being disposed of. After my evacuation from the protected area, I feel that the responsibility lies with the Custodian as to the safety of such property reported to you. In view of the fact that report such as this, given to me at this time, seems very irresponsible on the part of your department and feel that a more thorough and explicit explanation is in order.

Yours truly,

*S. Takagi*

Mr. Teijiro BABA,  
Registration No. 08449,  
New Denver, B. C.

Dear Sir:

We acknowledge your letter of March 6th, 1946 and note your remarks as to the effects of Mr. Shinpei TAKAGI. There is nothing on his file nor on yours or your wife's to indicate in what part of the house at 1023 Auckland Street these goods were left, however. We removed and sold to the account of your wife, Mrs. Hatsu BABA, all the effects that could be found, and we attach a list of the items.

Some of these items may have been Mr. TAKAGI'S. We may point out that when you left the Coast the property was leased by Mrs. Hatsu BABA with your approval, the lease to include furniture and it may be that some of Mr. TAKAGI'S furniture was included. Although, your lease included certain items of furniture this is not consistent with the fact that the house was leased furnished.

We note that Mrs. BABA'S declaration mentions a washing machine, an electric clock, electric plate and an electric iron. These items were not found and we would like you to let us know whether they were shipped to you by the Department of Labour or if you took them away with you.

After looking over the list of effects sold will you kindly let us know if any of these are the property of Mr. TAKAGI.

Yours truly,

F. J. Iverson,  
Protection Dept.
