CHATTEL SUMMARY

Re: Yoshio SHIMANO
Reg. No. 05124
Evacuated Oct. 22/42

In his declaration of April 4, 1942, Yoshio Shimano certifies that he has no property of any kind whatsoever in the Protected Area. However, the file reveals, in a letter received from him on December 29, 1942, certain chattels left at "rear" house on Lulu Island. This was discovered to be his brother, Keishiro's house.

All chattels removed from this house were placed in the name of Keishiro - see copy of covering letter addressed to Keishiro.

The above Summary is certified to be in accordance with the information on file:

Dear Sir,

We were just informed recently by friends that our house at 2720 MacKell Street, was broken into and a lot of our belongings practically everything we possessed was stored within the house. (Nothing was taken we are almost certain of our electric washing machine as being stolen.)

As we desire an investigation to check everything that we have & presume you are the proper authority to contact. We would like to hear from you at your very earliest convenience.

Yours very truly,

Dear Sir:

Re: Chattels

We have received your letter of December 29th and also yours of January 12th, written to the B. C. Security Commission.

Our Stevenson representative, Mr. C. G. Robinson, has this matter in hand. He will report to us within the next day or so as to what the condition is at Terra Nova and what should be done. He will try to rent the farm, and if your chattels are not safe in the house, he will see about having them moved to one of our storage warehouses.

As soon as we have his report, we will write you again, but you may rest assured that your interests will be protected as far as possible.

Yours truly,

R. B. Mackenzie

Dear Sir:

Further to our letter of January 22nd, we
have just received a report from Mr. Robinson.

He has been to your house and found every-
thing in order. Your washing machine is in the house,
which is still vacant, locked and boarded-up.

Mr. Jamieson, the Manager of the Terra Nova
Cannery, who is your nearest neighbour, is keeping an
eye on your place, and his large dog helps to keep
marauders away from your property.

Yours truly,

R. B. Mackenzie,
Protection Department.

Dear Sir,

I understand our house and farm at Terre Nona has been sold some time ago. I was told that all our belongings were moved to a warehouse at Glenmont. As we came with practically nothing I wonder if some articles can be sent to us up here. If this is possible we would like all our silverware sent.

I have been hearing stories to the effect that what goods we left behind are all going to be auctioned off. I wonder if this is true.

Hoping to hear from you at your very earliest convenience.

Yours very truly,
Yoshio Ohimura

Dear Sir:

In reply to your letter of April 12th,
we beg to advise you that when the house and farm
at Terra Nova were leased, all the effects were
moved to Stevenson Warehouse #6.

If you wish to have the goods sent to
you, we enclose our form letter which sets forth
the steps you will have to take in this regard.

Yours truly,

Mr. Keishiro SHIMANO,
Registration No. 04933,
603 McIntosh Street,
Port William, Ontario.

Dear Sir:

Your file has now been completely reviewed, and we are enclosing herewith our cheque in the amount of \$1,386.00, being the entire balance of your account with the Custodian.

Upon evacuation, your brothers, Shogoro and Matsuo, and your sister, Kuziko, declared certain chattels which were to be left at your father's home. However, this house was situated on property owned by you, and the only chattels found were those situated in your house.

Your brother, Hideo, was allowed in the Protected Area in April, 1943, and he sold a tractor, a cultivator, a disc cultivator and tiller, and a set of 2 section harrow, in the amount of \$400.00. This was credited to his account and has been forwarded to him. He also took away with him a number of articles.

Hideo left with Mr. Jamieson, of the Terra Nova Cannery, a washing machine, a bicycle and sewing machine, and he left another sewing machine with Mr. E. House. We understand from Mr. Jamieson that these articles have been shipped to your family with the exception of a bicycle, which was auctioned.

Although your brother, Yoshio, and sister, Chisuko, declared no chattels in the Protected Area we note, by their files, that they have made enquiries with reference to their chattels. It appears that you are acting as a family group and as we cannot identify the goods removed and auctioned, we have credited all the proceeds from the sales to your account and we would ask you to make arrangements as to the division amongst your family.

Goods were also shipped to your father on his request. A separate cheque is going to your father, covering fishing nets, etc., which were found in his name.

P.T.O.

Kindly acknowledge receipt of the above-mentioned cheque.

Yours truly,

George Peters,
Office of the Custodian.
