PERSONAL PROPERTY SUMMARY

File No. 2823

Oct. 5, 1946.

RE: Yoshio TESHIMA, Reg. No. 01966

This file reveals the above owned no real property in any protected area of B.C., and did not carry any Fire Insurance.

CHATELS: The above, who made his declaration to the Custodian on April 11/42 declared chattels as listed on Chattel Schedule on file. These were shipped as per Custodian release on file on Aug. 31/43. It is noted that in this release the above does not ask for the sewing machine. A sewing machine was declared by Nobuo TESHIMA, brother of the above, and this machine was sold at auction and the proceeds credited to Nobuo. This was quite likely the same machine as that declared by Yoshio, as Yoshio lived with his brother in one of the Acme Cannery houses.

SPECIFIED ARTICLES: According to information supplied to this office the above was the registered owner of a fishing vessel, the "Y.T.", which was sold through the Japanese Fishing Vessels Disposal Committee for the net sum of \$542.00 and this sum was paid to TESHIMA on April 4/42. Full details are given on Specified Articles Summary on file.

The above surrendered an R.C.A. Victor radio to the R.C.M.P. on March 9/42, which was handed over by them to the Custodian on May 27/44 and sold at auction for the net sum of \$24.14, and this sum was credited to the account of the above with this office.

LIFE INSURANCE: The above declared a life insurance policy with the Sun Life Co. in the sum of \$1000.00, the beneficiary being his wife, Kimie. A premium on this policy was apparently paid from funds standing to the credit of Nobuo, brother of the above, at the request of Nobuo.

No property interests other than those mentioned above are found on this file.

The above summary is certified to be in accordance with the information on file.

Mr. G. W. McPherson,
Custodian,
506 Royal Bank Building,
Vancouver, B. C.

Dear Sir,

Enclosed please find a list of effects of Japanese who have been evacuated from Knight Inlet. As you can see by the enclosed lists the effects here are mostly fishing gear.

These nets &c were valued by two independent experienced parties, and I think their values are very fair. You will see that the Japanese put a value on their effects here, and we have put in two separate columns, what they ask for, and what value these effects are worth. As you will notice there are various items which are absolutely of no value to anyone, such as the Dinghys. These are a small flat bottom skiff about 8ft long which really belonged to their boats which were taken over by the Boat Disposal Committee and should be on their gillnet boats. The wooden buoys are home made and of no value to anyone, only themselves when fishing. The lanterns &c. are all old and most probably used for the last two or three seasons.

In the event of these lists being satisfactory to you, would like to hear immediately so that steps can be taken for disposal, as the fishing season commences in June it will be advisable to dispose of these effects immediately, as deterioration will set in and also the men who most probably we can dispose of these to will not wait.

Also attached we are sending you a list of Registered Conditional Sale Agreements, against these nets and held by us, and would ask you to advise me procedure regarding these.

Yours truly,
"N.J. Matthews"
