Mr. Yoichi YASUI,
Reg. No. 04944,
Bay Fara,
SLOCAN CITY, B.C.

Dear Sir:

In connection with the request which you have recently made for the shipment of your camera, we regret to inform you that we are not able to comply with your request as the camera required cannot at present be located.

We have taken all reasonable measures for protection of personal goods, involving considerable expense in the employment of caretakers, watchmen and night patrol, but in spite of this a certain amount of breaking-in and vandalism has occurred in our storages from time to time resulting in some items being stolen. It would appear that your camera might have been taken under such circumstances.

Burglary and theft are, of course, circumstances which sometimes happen to the most careful property owners even when the owner is in residence and after taking every precaution against such possibilities.

The police have been made aware of this situation and if the missing article should be recovered you will of course be advised.

Your request and a copy of this letter will remain on our files indicating the facts regarding this matter and be available for review at any future time.

Yours truly,

G. B. Spain
