LIABILITY SUMMARY

File No. 3030 May 23/46

RE: Miss HAYASHI, Sae. No. 01420

The following amounts are owed by the above:

The Custodian	$3.00
The National Harbour Board	1.50

The first amount was overpaid by the Custodian as per our letter of March 31/46 due to erroneous allocation of fishing gear. We requested HAYASHI to return this money, explaining the circumstances of the overpayment, but he did not remit but wrote an evasive reply. We wrote again on April 20/46 but he has not replied to this letter. As he is being repatriated to Japan in a few days and there are no funds to his credit, it will be too late to recover this amount.

The National Harbour Board claim in the sum of $1.50 has not been pressed by us as they have given insufficient evidence in their accounts, which indicate that the money was owed by "K.F. [redacted]", which very likely, in fact almost undoubtedly, is Miss HAYASHI. Settlement of this claim will prove impossible at this late date in view of the early departure of HAYASHI for Japan.

The above summary is certified to be in accordance with the information on file.

Dear Sirs

Re: Tokuzo TERASHITA - Reg. No. 07953.

We have received a letter from Mr. Terashita confirming that he borrowed from you the sum of $250.00, and requesting us to reimburse you out of funds derived from sale of his boat.

As you are aware, Mr. Terashita is now in the sad position of having lost the sight of both eyes, and this office, in its capacity as Trustee, must therefore give most careful consideration to any question involving the depletion of the very limited resources at the disposal of Mr. (and Mrs.) Terashita.

It is realized that you doubtless advanced the money to Mr. (or Mrs.) Terashita in good faith but we must take into consideration the fact that (1) we were not consulted in the matter and (2) all essential expenses in connection with Mr. Terashita's operation (travelling, hospitalization, etc.) were paid by the B. C. Security Commission. As the burden of providing for Mr. and Mrs. Terashita now falls on the Commission, who continue to give the case their most sympathetic consideration, we have consulted them and, taking all the circumstances into account (and not overlooking your letter of the 4th instant), it has been decided that the maximum amount that can be paid out of the above-mentioned limited resources at the present time, is $100.00.

We, therefore, enclose our cheque for $100.00, carrying forward the reduced balance of $390.52 in Mr. Terashita's account, and recording the fact that he acknowledges owing you a further $150.00.

Yours truly,

R. G. Bell,

Mr. R. D. Bell,
Administration Department.

Dear sir,

In my last letter to this department addressed to Mr. C. McAdie only last week I explained the reason why I need the two hundred and fifty dollars. The reason — having to provide and meet the general expenses for the wife similar here, as a self supporting family.

As you have quoted in your letter of the twenty-fourth inst. "It is realized that you should be allowed the money to Mrs. (or Mrs.) Tanabe in your field" — This is quite true, and in good faith, Mrs. and Mrs. Tanabe wish to continue in full use of their funds in trust to your Department.

Item (1) upon this that the transaction was not completed with your office. There really wasn't time to complete — the Army was rushing right away. At this time the land was up for sale, as it was on the promise that when the fencing was all, the deal would be closed and the funds coming from the sale.

Item (2) all the actual expenses connected with Mrs. Tanabe's position (travelling, hospitalization etc.) were paid by the B.C. Security Commission.

Mrs. Trumbull to give me to understand that all upon completion would be handed over to you. I later drawn from the funds in trust to your disposal. The funds should come from the sale of their land.

Mr. Ockhurst phoned the letter of the 24th inst. it will be in the office when our cheque for $100.00 ——— When the letter has arrived and found there no cheque enclosed, perhaps we might hear from you.

Please give this whole matter a reconsideration, thanking you,

Yours very truly,

Dear Sir:

Re: Tokuso TERASHITA - Reg. No. 07953.

We are in receipt of your letter of the 30th ultimo, from which we note that at time of writing you had not received the cheque for $100.00 enclosed with our letter of 24/11/1943.

This cheque was handed to the B. C. Security Commission for delivery to you and on making enquiries, we learn that they mailed it to their Greenwood office on the 30th, so you probably received it the next day. Please advise us at once if not yet in your hands.

Mr. Terashita's affairs are the subject of discussions with the B. C. Security Commission and we would suggest that you write us again in one to two months time regarding the balance of Mr. Terashita's debt to you ($150.00).

Yours truly,

We are in receipt of your letter of the 14th instant requesting payment of the balance of the debt owed you by Mr. Tokuso TERASHITA—$150.00.

Mr. Terashita's financial position has not improved since we wrote you on the 24th November and 6th December but in consultation with the British Columbia Security Commission it has been decided to liquidate this debt by paying the outstanding balance and we enclose our cheque for $150.00 herewith.

Please acknowledge receipt of this payment direct to Mr. and Mrs. Terashita.

Dear Sir:

This is to advise you that we have over-credited your account in the amount of $3.00, which amount was included in our last remittance to you of September 22, 1943. This was due to the proceeds of some fishing gear, rightfully belonging to Sadakichi Hayashi of Steveston, being credited to your account in error. We would be very much obliged, therefore, if you would kindly send us a money order for this amount so that we may give credit to the correct account.
