Further to our memorandum of December 3rd which you told the writer on Saturday you had in hand, we are sorry to say that we have come across some additional articles declared by Mr. Masajiro Kimura said to have been stored at 475 Bridgeport Road. We imagine that these will have suffered the same fate at the hands of Pertab Singh as those of Genya Ebata but an attempt should be made to identify them when you again inspect these premises.

Dear Sir:

I have received your letter recently and
was startled to see that we are being dunned
by some people.

Mr. Kikujiro Tanaka (New Fish Market)
has said that we owe him ^{\$4.45} \$4.50, but I am
sure that he has made a mistake. We
have never borrowed money or bought any-
thing from them. I do not know anything
about owing Mrs. Joshi Yagi, the amount of
\$150.00. There are many people by the name of
Kimura and I think she had made a mistake.

We will cause you perplexity but please
check over again and send us the answer.

We wish to know the address of Mr. Kikujiro
Tanaka and Mrs. Joshi Yagi, as we would
like to send them a letter.

We agree that we owe the B.C. Purchaser's
Association the sum of ^{\$11.13} \$11.13, but on the other
hand, they owe us \$111.24. We were
going to pay them before we left Vancouver,
but they said that they owe us some

money and would not take the \$11.68

I also agree that we owe Dr. Uchida the amount of \$10.50. I would like you to get the amount listed from the following peoples. These are former addresses, except

Re: EBATA, Genya (Yebata)
 KIMURA, Masajiro
 MURANAKA, Kinsuke

Confirming our conversation of Saturday in which you told us that you expected to see Pertab Singh on Sunday the 14th, we think you should act as follows.

1. Collect the balance of \$100.00 being the rent overdue as at the 31st of December, 1942.

2. Collect the \$2.00 per month for use of kitchen stove and heater stove rented to this man as per letter dated June 16th attached to his lease.

3. We consider that under no circumstances should this lease be continued. While from the Agreement dated June 12th he seems to have the option to continue renting the property, he has broken the following conditions which we think justifies terminating the lease.

(a) He has not looked after the property in a good husbandlike manner (Fairhall's letter on our files of October 7th and Stirling's report of November 3rd.)

(b) He has sublet without the consent of the owner.

(c) He is more than thirty days in arrears with the rent.

4. Directly you have advised him of the above and he has left your office, I think you should drive over to the sub-tenant who we understand is quite a reliable person, and advise her that she is now a direct tenant of the Custodian. Under no circumstances should she hand any money to

Dear Sir:

re: Hindu accounts due to you

Referring again to your letter of the 27th of February wherein you gave four names of Hindu people that owed you money, we wish to say that we wrote to Ottom Singh, Atta Singh, and Santa Singh at the addresses given in your letter, and all letters were returned to us marked by the Post Office "No such number."

You gave the address of Parker Singh as 8264 Panji Targe Street, and we advised you that the Post Office stated there was no such street in Vancouver.

It is evident, therefore, that we can do nothing to assist you in the collection of your accounts from these people unless, and until, you give the correct addresses. If you furnish this information we shall endeavour to contact them.

Re: Your Files Nos. 3054 and

B.C. Purchasers' Co-Operative

We acknowledge your letter of the 1st inst. and the records in our possession fail to indicate that any monies are owing to Mr. Kimura by B. C. Purchasers' Co-Operative Association. However, as you know, the matters of the B. C. Purchasers' Association are intertwined with West Coast Trading Company and Farmers' Products Distributing Company Limited and it is possible that what Mr. Kimura says is so. In matters of that kind, however, the Association and the members have agreed to leave all matters of adjustment until after the war.

Under the circumstances, it would seem it is not necessary to do anything in this matter at this time.

With reference to memorandum from Mr. Harris to Mr. Mackeie regarding junk at Bridgeport Road.

Unless the tonnage is considerably in excess of what I saw scattered around the farm and outhouses it is doubtful if any junk dealer would consider this worth saving.

Assuming that there is $\frac{1}{2}$ a ton of old iron, this, at 2¢ per pound would be worth say \$20.00. The truck and labour would probably exceed this amount.

re: Yutaro OMOTO #02712

With reference to your claim of \$135.00 lodged against the above named man. We have now had a report from the B. C. Security Commission on him, which reads in part as follows:-

"Before his transfer to Tashme was on maintenance at Sandon and since coming here on January 20th, 1944, he has been working as a fireman at the Sawmill and drawing only enough to maintain himself and his wife and being on maintenance at Sandon, since coming here he had to supplement the depleted wardrobe, thereby just managing at present to get by, however, in the future when he is again able to earn normal wages he will fulfil his obligation to his best and he wishes to advise you that he owes an apology for not answering your letter before this. This was partly due to his lack of English. The above named wishes to confirm the claim lodged against him as follows:-

1. Masajiro KIMURA.....\$135.00."

As the Custodian has not got sufficient funds to settle your claim, we regret we cannot do anything more to assist you in collecting.

Dear Sir:

The enclosed letter from our Protection Department deals with an ice cream cabinet and in view of what is said in this letter we presume that you will wish to abandon this article, as there is an unpaid balance of \$83.46 on same.

We have written you on a number of occasions regarding certain chattels which were stated to be owned by you, and would particularly refer to our last letter on this matter, namely that of November 7th, 1944. This letter enclosed two copies of a list of chattels, and you were requested to return one copy marked with those items that you could positively identify. It is regretted that you did not comply with this request, and as our letter was not returned and we learn that you are still at the above address, will you please see that one copy of this list is sent to us by return in the enclosed stamped and addressed envelope.

Due to not having heard from you the items shown on the three enclosed auction lists have been credited to your account, and if we do not hear from you by the 24th of this month, at the latest, we shall assume that these are the only items owned by you and shall take no further action in this matter.

Dear Sir:

Recently, you have sent me a letter regarding my Electric Ice Cream Cabinet, and I am very much obliged. We are considering about selling it, therefore could you please tell me what my net proceeds would be.

If it is not reasonable, I would consider again because when I procured it, it was worth the sum of \$525.00, at the Arctic Ice Cream Co.

It is true that there is an unpaid balance of \$83.46 on the Cabinet, therefore, I would like to sell it directly to the Arctic Co. if this is possible.

I would be much obliged to receive this answer.

Dear Sir:

On reference to the 4 hole nizer electric ice cream cabinet we are holding for Mr. Masajiro Kimura; this cabinet originally cost approximately \$595.00, but is it nearly 20 years old now, and after being idle for over 5 years, it would cost more to put it in shape than it is worth.

I have been in touch with McKinnon Sales, who do a lot of our work, and they tell me the cabinet is practically worthless. The new electric cabinets cost about half what the old ones did, and are much more modern.

There is a balance owing on our books against this cabinet, but we are quite willing to write that off, and let Mr. Kimura keep whatever he can get for the cabinet.

RE: A Hole Piger Electric Ice Cream Cabinet

Dear Sir:

We attach a copy of a letter received from the Arctic Ice Cream Co. regarding the above cabinet, from which you will note that they consider the cabinet practically worthless.

As they have expressed themselves as willing to write off the balance of payments and let you keep what you can get for the cabinet, we will remove same from the Arctic Ice Cream Company to our warehouse and there sell it by public auction. Proceeds of sale will be placed to the credit of your account.

Mr. Masajiro Kimura,
Reg. No. 10609,
c/o Sheridan Nurseries,
Sheridan, Ontario.

Dear Sir:

Re: Kinsuke Muranaka, Reg. No. 00742 - \$310.00

On November 28, 1942, you informed this office that Mr. Kinsuke Muranaka was indebted to you in the amount of \$310.00.

Recently in connection with your claim we have received a letter from Mr. Muranaka in which he says,

"We will fix up the \$310.00 of Masajiro Kimura by ourselves."

Since Mr. Muranaka is employed at Sheridan Nurseries, Sheridan, Ontario, it is possible that you have reached an agreement in regard to settlement of this claim.

In any case, the only funds standing to the credit of Mr. Muranaka are approximately \$40.00 received from the sale of some furniture. This sum would make little impression on your claim of \$310.00.

If you have any objection to our remitting these funds to Mr. Muranaka, please let us know as soon as possible.

If we do not hear from you by February 14, 1949, we will forward to Mr. Muranaka the funds received from the sale of his furniture.

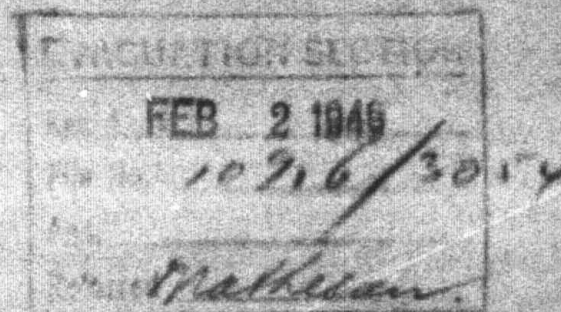

Yours truly,

F. Matheson,
Office of the Custodian.

I have contacted Mr. Kinsuke

should send his funds to me.

Although that is not the entire
amount still owing, I would appreciate
it greatly if you would send it as
soon as possible.

Mr. Kinsuke Muranaka,
Reg. No. 00742,
c/o Sheridan Nurseries,
Sheridan, Ontario.

Dear Sir:

Re: Mr. Masajiro Kimura - \$310.00

Mr. Kimura has written us, in regard to the debt of \$310.00 due him from you, as follows:

"I have contacted Mr. Kinsuke Muranaka and he has agreed that you should send his funds to me.

"Although that is not the entire amount still owing, I would appreciate it greatly if you would send it as soon as possible."

Since you have acknowledged this indebtedness to Mr. Kimura, we will send the funds to Mr. Masajiro Kimura to apply on the debt, unless we hear from you, by February 14, 1949, that you have settled direct with Mr. Kimura.

A copy of this letter is being sent to Mr. Kimura.

Yours truly,

I am writing again. I have
written on Feb. 3, 1949. File No. 3054.
10906 you mentioned that you will send
the funds to Mr. Masajiro Kimura
to apply on the debt, unless you hear
from us by Feb. 14, 1949. We have to
pay the debt so that was fine with us
if you send the funds to Mr. M. Kimura.
That is why I did not write by Feb. 4.
They have not received the funds yet.
Please send them right away to Mr. M.
Kimura or please send to us.

Remarks

The premises at 475 Bridgeport Road, Eburne were rented by owner (Genya Ebata) to Pertab Singh. Pertab Singh did not live in house, did not take proper care of house, may have removed goods of Japanese from the house. In any case the house was ransacked during Pertab Singh's tenancy. We do not know how many of the items of which there is no record were stolen, were taken away by owner or were shipped to owner, before Mar.18/43 (date of inventory) Inventory taken following the ending of Pertab Singh's tenancy is quite well accounted for in sales.
