Dear Sir:

Re: Catalogue No. 635
397 Esplanade
R 2/25/A/757/2620

This will acknowledge receipt of your letters of September 7th and 14th. We have now received \$660.00 the full amount of the purchase price for the above property.

We note that you wish this property to be registered in the names of Peter Chervakov, laborer, of 249 Dune Street, New Westminster, B. C., and Boris Singh, Mill Laborer, of 224 Pembina Street, New Westminster, B. C. Would you kindly state the nationalities of the proposed registered owners.

Upon receipt of this information, the necessary documents will be prepared and forwarded to the Secretary of State at Ottawa, and if our recommendation is acted upon, the documents will be signed and returned.

After the documents have been registered a statement of adjustments of taxes, etc. will be prepared, including registration fees, calculated as of the date of this letter, and forwarded to you.

The tenant will then be advised that the property has been sold, subject to the existing tenancy, and the owners will then be in a position to assume control of this property.

Enclosed you will find a letter we have received from the City of New Westminster with reference to an encroachment on Esplanade. It is our understanding that plans have been made for the widening of Esplanade to 100 feet. The purchase of the above property is subject to this encroachment.

Yours truly,

F. G. Shears,
Director.

Dear Sir:

We thank you for yours of the 17th instant and regret to say in reply that very few of the effects given in your list were recovered. It does not appear that you left a detailed list of your belongings and under the circumstances it would have been difficult at the time of evacuation to make any intelligent check.

We are enclosing a copy of the sales sheet which represents the value of your effects which were recovered and sold at auction, and we would ask you to indicate thereon the items which you believe to be the property of Mrs. Yasota and Mrs. Takeuchi. A letter to subject Japanese indicates the position of chattels recovered, and it will be noted from his own letter that there are a great many shortages.

The file indicates that a family named Fichen was residing in the upstairs rooms before the Japanese were evacuated, and that the Fichen family were later removed to quarters in the NISHIGUCHI stores.
