GENERAL SUMMARY

File No. 3583

6th June, 1947.

Re: Shisuko OMO (Mrs. Hideshige) - Reg. No. 12587

ASSETS

(Real Property)

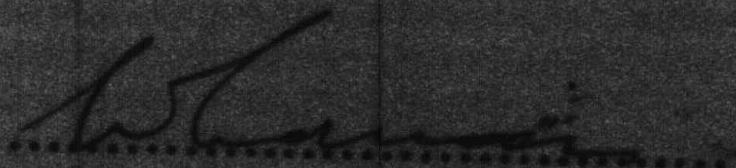

The above Japanese declared an equity in real property in Surrey. However upon searching the Title at the Land Registry Office, it was found to be registered in the name of Susko OMO. Upon writing to the Japanese, a copy of an unregistered Agreement for sale was obtained from H.E. Johnston of New Westminster, dated 29th August, 1946, under which the above Japanese was purchasing the property for \$1268.00 with payments of \$250.00 to be made in 1940/1/2/3 and the balance in 1944, to Hideshige OMO (File 7187) husband of the above Japanese. Administration is therefore being handled under his file.

The only other assets appearing on file are chattels, which are summarized on the attached red-edged summary.

This file reveals no other assets and no liabilities.

The above summary is certified to be in accordance with the information on file.

Tashme, B.C.

Dear Madam,

In April when you registered with the Custodian you declared you were the owner of Block 10 of W. & N.E. 1/4 Section 32 Tp. 2 in the District of Surrey. However, on searching the title of this property in New Westminster we find it to be registered in the name of Sueko Ono. According to our information Mrs. Sueko Ono is now in Japan, which places the administration of this property under the Enemy Section of the Custodian's Office.

We would appreciate your advising us if you have an unregistered agreement of sale or any proof of having purchased this property in any way. Upon your advising us to this effect and if you have documents available and will send them to this office for perusal, we will have the administration of your property again transferred to the Evacuee Section.

Yours truly,

R. D. Richardson,

Re: Chattels

Anything of value found at this address was sold at auction and while the list of chattels is rather imposing it consists mainly of debris of various kinds and would have no commercial value.

Furthermore, the house had been repeatedly ransacked and anything worthwhile to the trespassers was taken away.

It can be considered therefore that items unaccounted for were either abandoned or had been stolen. The file can therefore be closed insofar as chattels are concerned.
