Dear Sir and Madamess:

Re: Your Agreement with Oblate Fathers, Sechelt, B. C.

In a letter dated October 23rd, the Rev. H. P. Dunlop, Principal of Sechelt Residential School, expressed the desire of the Oblate Fathers to be relieved of their obligations under the Agreement made with you on the 25th May, 1942.

In replying to this letter we advised the Oblate Fathers that the Dominion Government's policy of liquidation of overseas assets in the protected areas of British Columbia was being carried out by: (1) shipment of personal property to owners, at such owner's expense, where this was practical and so desired; (2) sale by auction, net proceeds being credited to owner's account; (3) sale on the basis of qualified independent appraisals, net proceeds being credited to owner's account; and he was informed that this office had no objection to the Oblate Fathers following the same procedure, after consulting you.

We are now in receipt of a further letter, dated the 3rd instant, enclosing cheque for \$533.00, made up as follows:

| | |
|-----------------|-----------------------------------|
| \$400.00 | 8 cows @ \$50.00 each |
| \$ 50.00 | 1 bull |
| \$ 25.00 | 1 sow |
| \$ 30.00 | 30 chickens @ \$1.00 each |
| <u>\$ 28.00</u> | 7 cords of wood @ \$4.00 per cord |
| <u>\$533.00</u> | |

Before accepting this cheque we desire to know: (A) Are the above prices acceptable to you? (B) To whose account you wish these funds credited. It would be appreciated if you would let us have this information in a jointly signed letter.

In addition to the above chattels, which were removed to the School's own farm for better attention, there was a substantial list of chattels, including household effects and farm equipment, left on your farm. The Real Property (land and buildings) was, as you know, purchased by The Director, Soldier Settlement and Veterans' Land Act, who later sold the property to a Mr. Hyde, who has been in possession for some time, and is, we understand, using some of the farm equipment.

Some of the personal property included in above list was of little value to start with, and the normal process of wear and tear will have accounted for much more, but there doubtless remains some articles with a saleable value and the Oblate Fathers should now liquidate these, as outlined above, in order that the net proceeds may be made available to the proper party or parties and these accounts closed. As this liquidation and the termination of your Agreement with the Oblate Fathers is a matter for direct negotiation between you, we are sending a copy of this letter to the Rev. H. F. Dunlop, and desire to be advised of results in due course.

For your convenience in replying to questions (A) and (B) above, we enclose a stamped addressed envelope and would appreciate a prompt reply.

Yours truly,

R. G. Ball,
Office of the Custodian.
