Dear Sir:

This is to advise that the fishing vessel "M. M.", which was owned by you, has been sold for the total sum of \$115.00, which was the value placed on her by an experienced, independent marine surveyor.

No commission or administration charges are made in connection with the sale of these vessels, the only charges are for wharfage, fire insurance, watchmen's wages, expert valuation, etc. These amounted to \$15.61.

The balance of \$99.39 has been credited to your account with this office.

Yours very truly,

Re: File No. 4876 - Mokichi Marumoto, #03876

Replying to your letter of December 6th addressed to our Mr. M. L. Brown in Vancouver, I would advise that on interviewing the above Japanese, that he acknowledges the debt with the B. C. Packers but he states he has no means of checking the amount here as he left all his bills, receipts, etc., in Vancouver.

He wishes to have a complete statement before making any settlement.

Yours truly,

Dear Sir:-

re: Mokichi MARUMOTO, #03876.

Referring to yours of the 14th instant dealing with the claim by the B. C. Packers Limited, amounting to \$275.91, against the above named.

We have again taken this matter up with the B.C. Packers Limited and have arranged with them that they will accept \$99.39, which represents the net amount received by MARUMOTO on his boat and which is at present his credit balance with the Custodian, in full settlement of their claim against MARUMOTO.

We would appreciate if your representative, Mr. Loughheed, would be good enough to again contact him and get his consent to our arranging this settlement, which we think is a very generous one on the part of the B. C. Packers Limited.

Thanking you for your usual co-operation.

Dear Sirs:

Attention - Claims Department
Re: Mokishi Marumoto #03876-File 4376

The amount owing by the above named Japanese is covered by a Chattel Mortgage and in our conversation with your Mr. McAllister we agreed to release same provided we received all monies received from the sale of his boat.

We cannot see why we should contact this man when the monies are held by you.

We think that as we are willing to accept a lessor amount we should be paid as soon as possible.

Yours very truly,
