Dear Sirs

The Custodian is pleased to inform you that arrangements have now been completed whereby Canadian Collieries (Dumfries) Limited, have taken over numerous houses on their properties that were at one time occupied by persons of the Japanese race.

As the Company owned the land, the right to use and occupy such buildings was contingent upon payment of a nominal rent. We are informed that the right of occupation and use of any structure on the land was to terminate if the occupier ceased to be an employee of the Company. The Corporation, however, agreed to pay an estimated salvage value for the buildings, and pursuant to the agreement, the Company's Inspection Engineer, along with our agent, appraised each building on the basis of its value to the Company, in connection with their building plan.

You occupied the building known as House No. 23, No. 5 Japanese Town, and the award fixed as aforesaid amounted to \$20.00. Your account has, therefore, been credited with this sum.

Yours truly,

R. G. Bell,
Administration Department.
