Re: Mrs. Seishi IZAWA - Reg. No. 06971

This woman signed a declaration to the Custodian on April 20, 1942, in which she reported a quantity of chattels left at Fanny Bay, B.C. The chattels belonging to this woman and her husband are listed in detail on a sheet attached to the unsigned declaration of her husband. In all, there were 16 pieces of effects.

On November 14, 1942, Mr. Matt Brown, Custodian agent at Cumberland, notified this office that 7 pieces had been shipped to these people, leaving 14 pieces in storage at Royston Community Hall. The list of articles remaining in storage was sent to Mrs. IZAWA and on December 9th we received this list back with Mrs. IZAWA's signature confirming that this represented all the chattels belonging to her remaining in the protected area.

These 14 pieces have been accounted for as follows: the range, two saws, garden tools, wheelbarrow wheels, pastry board and one bed were sold at auction for the sum of \$29.10 which was credited to the account of Mrs. IZAWA. The child's bath and stove pipes were discarded and as nothing now remains at Royston it would appear that the other bed has been discarded also. The gramophone and records were shipped on December 30, 1942 and Mr. Brown stated in his letter of February 12, 1946 that the two boxes of effects shown as being in storage in November, 1942, had been shipped on June 24, 1942.

Although the history of the chattels belonging to these people contains a number of contradictions, it is entirely probable that everything of any value has been accounted for, either by sale or shipments, as Mr. Brown has been found to be reliable.

This file reveals no other property of any kind.

This summary is certified to be in accordance with information on file.

Dear Sir:

This is to inform you that your camera was mailed to you on March 4th and should be in your hands. If you have not received the camera please let us know. The cost of mailing was 21 cents being postage of 16 cents and a packing charge of 5 cents. This has been charged to your account.

In making remittances to persons residing in the Interior Housing Settlements this office is guided by recommendations of the Department of Labour, Japanese Division. We therefore referred to that department your request that all the funds standing to yourself and Mrs. IZAMA's credit be re-itted. The Department of Labour has replied as follows: "We wish to advise that two members of this family are employed in Tashme by this Department and are earning sufficient to maintain the family. We shall feel obliged, therefore, if you will hold intact any funds now in your hands." We are therefore holding the funds in Custodian trust account for the present.

If this situation should change or if you do not agree with the recommendation of the Department of Labour we suggest that you consult the Supervisor at Tashme in regard to this matter.
