I wish to thank you for advising us of the arrangements made by these two men in regard to their property at 2356 Kitchener Street.

Neither of these men registered his property with the Custodian but notwithstanding this it would automatically vest in the Custodian upon their evacuation from the protected area. You should, therefore, address your reports and make any remittances to the Custodian and it would be appreciated if you would give us full particulars of the property which has been placed in your hands. Any additional information you can give us regarding either of these men or their property will be appreciated.

Dear Sirs:

Messrs. Horne, Taylor & Co., Ltd., advise us that a sale of your property has been completed under your instructions and they have remitted to us the net proceeds amounting to \$1,294.59.

On April 16th last we sent you our registration forms for your completion. We do not appear to have received these back from you. We enclose a further set of these forms and would ask you to kindly fill in same and return to us so that we may be aware of your affairs which are under our control under the regulations.

Kindly advise us on these forms if you have any accounts receivable and also give us a list of any debts which you may owe. We will then be in a better position to attend to your affairs.

Until evacuation is complete, we are keeping all our files open and retaining a credit in any account which is in receipt of funds. At a later date these credit balances will be dealt with and our files closed.

The whole of the \$1,294.59 can remain here to your credit if you so wish, or we would be prepared to remit some portion of this at the present time if your registration forms indicate that this might be done.

We shall be glad to hear from you in connection with these matters.

Dear Sir:

We thank you for your letter of August 4th signed jointly by yourself and your brother in which you advise us that you are equally interested in the proceeds of the sale of your property at 2356 Kitchener Street.

As you are aware, the total amount realised was \$1,249.59 and we are crediting each of your accounts with half of this amount. We are enclosing a cheque in your favour for \$250.00, retaining the balance on our books to your credit.

You refer in your letter to personal loans made to you by your Mother, Mrs. Miki Moriyama and your sister, Mary A. Moriyama. We presume that these loans have been taken care of, but in order to keep our files up to date, could you give us the address of both of these so that we can write to them and get their confirmation that these debts have been satisfied.

If by any chance either your Mother or your sister are living with you at Keefers, you might please have them write to us stating that they have no claim against any moneys which we are holding to the credit of yourself or your brother.

We, Mrs. Miki Moriyama, and Mary A. Moriyama, have been advised from Fredric K. Moriyama and Adam K. Moriyama, that the sale of property funds from 2356 Kitchener Street, are turned in your protective custody at present.

We, herewithin, would like to state that during the purchasing sessions, we have helped out the boys by loaning \$400.00 from Mrs. Miki Moriyama, and \$250.00 from Mary A. Moriyama, making the Family agreement plans after the payment was accomplished. Lastly we have been assuredly advised that they will receive even a small portion of our loan (as you have stated in their letter) therefore, we have not pressed them futhur for the money. We are now presently in a condition where we have to draw credit from our General Merchant Store at Keepers, much as we hate to, We cannot pay them until we have a little cash to do so, or would you advise us to send in the credit due to the store ?

We are certain all necessary facts have been explained in the boys letter, however if anything futhur is necessary, we will gladly advise you our situation. Please let me know definatley if you are able to settle the credit for us or not.

Thanking you,
