Re Kuniyoshi TAMURA - Reg. #08966

Dear Sir:

Following instructions, we have investigated and taken control of the property owned by the above and also that which Kuniyoshi Tamura would appear to have an interest in.

5811

not reported in J.P.

- (1) Assessed in the name of Tamegire Tamura and Kuniyoshi Tamura, Lot Ten (10), Section Four (4), Range Four (4), Somenos District, Plan 2458 (Municipality of North Cowichan.)

This property comprises 20 acres and would be classed as farm land. Approximately half the total area is cleared and is in hay. It has a frontage on Drinkwater Road of approximately 650 feet. The soil is light but is in a fair state of cultivation.

The improvements consist of a one storey, unpainted, frame, shingle roof dwelling with 2 bedrooms, kitchen, livingroom with open fireplace. There is no water laid on. The outbuildings constitute woodshed, root-house, garage, 2 small barns all of which are of poor construction. The property is well fenced and that portion immediately surrounding the dwelling has been used for vegetable and flower gardens. There are some fruit trees. This property is situated about three miles from Duncan, electric light is connected, there is mail delivery, and it is considered to be in a good location.

The inventory supplied us is found to be correct with the following exceptions:-

Missing:- 1 pair binoculars, 1 handsaw set and vise, 1 handsaw, 1 hoof parer and rasp, 1 carpenter's square, 2 nail hammers, 1 rear wheel for bicycle. The above may be packed in one of the boxes.

Not Listed:- 1 grindstone, 1 roll barbed wire, quantity of used poultry netting, 1 steel trout rod, 1 kitchen stove, 1 kitchen table.

With regard to the garage and mechanic's tools which are shown to be stored on Lot Seven (7), Block Six (6), these have not been checked as these are stored together with a number of other Japanese belongings, household furniture, etc. in a property known as the Japanese hall which we reported to you on June 4th under the heading, Tobie Kawabata.

We know of no liabilities and there would appear to be no insurance in force.

We recommend that this property be offered for rent.

The dwelling house was found to be securely locked; new locks have been put on, the keys for which are now in our possession.

G. L. Drewry, Esq.

- (2) Assessed in the names of Kuniyoshi Tamura and Tomegiro Tamura, Lots One (1), Two (2), Three (3) and Four (4), Section Eighteen (18), Range Six (6), Quamichan District, Plan 1546, (City of Duncan.)

These are cleared lots having been used for truck gardening purposes with a frontage on Third Street of 120 feet and a depth of 112 feet. There are no improvements on these lots. The soil is of good quality and they are situated approximately five blocks from the centre of town.

We know of no liabilities.

- (3) Lot One (1), Block Six (6), Section Eighteen (18), Range Six (6), Map 798, Quamichan District, (City of Duncan) registered in the name of Tomegiro Tamura. Lots Two (2), Three (3), Four (4), and Five (5), Block Six (6), Section Eighteen, Range Six (6), Map 798, Quamichan District, (City of Duncan) registered in the name of Kuniyoshi Tamura.

These lots are all cleared having been used for truck gardening purposes. There are no improvements on these lots. The soil is of good quality and they are situated approximately five blocks from the centre of town.

- (4) Assessed in the name of Tobie Kawabata and Kuniyoshi Tamura, Lots Six (6), and Seven (7), Block Six (6), Section Eighteen (18), Range Six (6), Quamichan District, Map 798, (City of Duncan.)

These lots have a frontage totalling 120 feet on Second Street and a depth of 120 feet. On these two lots there is a one storey, frame, unpainted, shingle roof dwelling consisting of livingroom, kitchen with sink and water laid on, two bedrooms, storeroom, woodshed with earth toilet and outside Japanese bath; Gymnasium which is a one storey, frame, unpainted, shingle roof building approximately 24 feet by 21 feet with a lean-to addition of 9 feet; Hall or schoolroom building which is a one storey, frame, shingle roof, unpainted building approximately 50 feet long and 18 feet wide and with a woodshed lean-to at the rear; three outside earth toilets.

In reporting the hall building, we would like to mention that it contains a quantity of household goods, bicycles, personal effects, school desks, benches, chairs, etc. of which no mention is made in any report that we have had, presumably stored there by various Japanese who lived in the community before evacuation.

As far as we are aware, there are no encumbrances and there is no insurance in force.

There should be a possibility of renting the cottage with the furniture removed, but in the case of the hall building and gymnasium, we do not think there will be any demand for buildings of this nature.

All buildings have been securely locked and the keys are in our possession.

Re Item #4: This has also been reported by in ours of the 4th instant under the name of Tobie Kawabata who owns the property jointly with Kuniyoshi Tamura.

Yours faithfully,

J. H. WHITCOMBE & CO. LIMITED

Lots 1-5, Block 6, Plan 798, City of Duncan.

The above Lots are all cleared, and have been in market garden. Size 60 x 120 each, except Lot 1, which is 50 x 120.

The fencing which surrounds the five lots, is very cheaply constructed, and only in fair repair. The ground is rather low-lying, and tends to be wet in the wintertime.

The class of dwelling on this street is not good.

I would value the lots as follows:

These lots are cleared, and are very low-lying. There is no street graded to this property, and the lots are poorly located. Size 30 x 112 feet each, which is particularly small for the City of Duncan.

I would value these lots at \$25.00 each, and would advise that they be sold en bloc.

759 - T. & M. TAMURA Farm Appraisal Report

Remarks:

This is a 20 acre holding on the bench north west of Dunsan. This section of the district is on a rise of land and the general soil formation is a sandy clay loam over hardpan and soil fertility generally is poor.

All the cleared land is in sod and the growth is a very poor grade of hay that has not been out.

The buildings are all old and of poor construction.

The water situation in this locality is very poor; the well is nothing more than a seepage pit dug in the hardpan.

Re: Kuniyoshi TAMURA

Chattels may be summarized on this file as follows:

Mr. Kuniyoshi Tamura, file 5452, son of Mr. Tamejiro Tamura, file 5511, declared quite a list of furniture, farm equipment, and tools. It appears from report dated June 10th, 1942, that these were left in the four-room house on Lot 10 except for the tools which were stored in the Japanese Hall. This report shows that some items were missing and some found that had not been listed. Mr. Kuniyoshi Tamura was told about this on July 19th, 1942, and he advised that the missing articles were of small value and could be ignored.

Applications for shipment made by Kuniyoshi Tamura under date of December 8th, 1942 and April 10th, 1943, were finally consolidated in Custodian Release of June 21st, 1943.

On June 25th, 1943, Messrs. Whittome & Company reported that the contents of Lot 10 had been removed to storage and on June 30th, 1943, that some articles had been stolen. These letters originally filed on 5511 have now been moved to file 5452 being the appropriate file. The second was not seen by the writer until March 7th, 1944.

In July and August 1943, there was sundry correspondence with Kuniyoshi Tamura about the missing articles. Another shipment was made in September at which time there were further shortages. These were probably inevitable, due to the difficulty in protecting Japanese properties up-country.

The balance remaining have now been sold as per auction sheets on file dated February 24th, 1944.

CHATELS SUMMARY

File 5452.

Kuniyoshi TAMURA.

Reg. No. 08966.

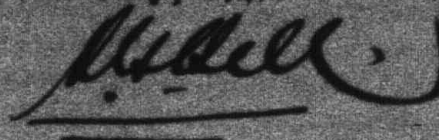

This evacuee included a long list of chattels with his "JP" declaration.

Some of the items in above list turned out to be the property of others and following Duncan auctions 4 & 5 a copy of the auction sheets were sent (Apr. 11/45) to Mr. Tamura, who returned them (Apr. 5/46) with all items definitely identified as his own duly marked. Net proceeds of items not so marked was transferred (June 17/46) to Suspense Account, the balance of funds in his account being remitted to him (Apr. 16/47) in the sum of \$111.22.

Acceptance of above remittance and covering reporting letter obviates the need of a Chatels Schedule at this date, and none has been made. It would not be possible to reconcile such a schedule with original declaration as many articles were discarded (without being listed by agents) as of no value, or too little to justify expense of handling, and some were lost through theft, Custodian's central storage at Duncan, where they were stored, being broken into on more than one occasion.

The above summary is certified to be in accordance with the information on file.

Dear Sirs;

Re: Soldier Settlement Board Properties.

The under-mentioned properties in the Duncan-North Cowichan district have been taken over by the Soldier Settlement Board as from the 1/1/1944.

All revenue derived from these properties from that date should, therefore, be held for account of the Director, Veterans' Land Act, and to avoid the complications involved when such revenue is remitted to this office our Accounting Department will in future return any such remittances.

Dear Sir:

Re: Lot 10 of Section 4, Range 4, Somenos District,
Composite Plan 2458.

The Custodian has recently accepted an offer received from The Director, The Veterans' Land Act, to purchase a large number of Japanese-owned rural properties.

We are writing to advise you that the above property in which you have a joint interest is included in this deal.

The sale was made effective as at January 1st, 1944, and adjustments will be made as at that date and rentals received in the current year will accrue to the Director of the Veterans' Land Act.

As this is a transaction of considerable size it will take some time to make all the necessary adjustments and receive payment. In due course, however, we will supply you with full details as it concerns your own particular property, showing the adjustments which have been made and the amount which will be placed to your credit.

We would suggest that further correspondence from you in regard to this matter should be delayed until we are in a position to supply complete information and make the proceeds of sale available to you, subject to the adjustments mentioned above, and to any legitimate claims filed with the Custodian.

In due course, therefore, you may expect to hear from us further in regard to this matter.

Yours truly,

F. G. Shears,
Director.

Dear Sir:

Re: Suketaro OTA debt.

We are in receipt of your letter of the 18th ultimo asking us to apply the balance in Mrs. Ota's account (\$16.66) against Mr. Ota's debt of \$25.00, as the latter has no funds at the present time with which to meet this obligation.

A question having arisen with regard to the identity of some of the chattels auctioned as Mrs. Ota's, the funds in her account will not be disturbed until this question has been settled. As Mr. Ota is available for direct negotiation (his address is Tashme, B. C.) we would suggest that you effect a direct settlement with him. This office is not a collection agency and we prefer to see such direct settlements where possible.

Yours truly,

R. G. Bell,

Dear Sir:

Re: Finances.

In your undated letter received on the 3rd instant you made the request that the sum of \$1,564.05 be remitted to your son at Lumby, B. C.

As you are a resident of a Department of Labour, Japanese Division, Interior Housing Area, your request was referred to them and we are now in receipt of their reply, which reads:

"According to our records, Mr. Tamura is likely to take up residence with his son at Lumby in the near future. As soon as he leaves our Interior Housing Project we will recommend the release of his funds to either himself or his son."

which is self-explanatory.

The amount standing at the credit of the Joint Account in the names of yourself and your son, Kuniyoshi, is \$1,593.55.

Dear Sir:

Re: Mantaro NAGANO - Reg. No. 08988.

When declaring your assets to the Custodian ("JP" form) on April 24th, 1942, you included an item of \$1,000.00, representing a loan made by you to the above evacuee.

Your debtor also included this item in his statement of liabilities ("JP" form), and Mr. Nagano has been advised that the balance standing at the credit of his inactive ledger account will now be used by this office to make a pro rata reduction of the debts recorded against him.

Your proportionate share of this payment amounts to \$203.02 and we enclose our cheque in your favour for that sum. No further entries are expected in Mr. Nagano's account, which will therefore be closed, and you are referred to him for any action you may decide to take with regard to the balance (\$796.98) of his debt that will still be outstanding.

Re: Tamejiro TAMURA - Reg. #08943
Natsu TAMURA - Reg. #08946.

We are in receipt of your letter of the 6th instant from which we note that the above couple have applied for an Old Age Pension.

The wife owned no property, real or personal. The husband had a half-interest in the following 3 parcels:

- (1) Cat. 569: Lots 1 to 5 inclusive, in Block 6 of Section 18, Range 6, Quamichan District, Plan 798. Sold (Mar. 2/45) for \$520.00. Net proceeds (\$479.65) released to credit of Joint Account 5452/5511 on Apr. 17/45.
- (2) Cat. 771: Lots 1, 2, 3 & 4, Section 18, Range 6, Quamichan District, Plan 1546. Sold (Apr. 3/46) for \$150.00. Net proceeds (\$126.40) released to credit of Joint Account 5452/5511 on June 24/46.
- (3) S.S.B.: Lot 10 of Section 4, Range 4, Somenos District, Composite Plan 2458. Purchased (as of Jan. 1/44) by the Director, Soldier Settlement and Veterans' Land Act for \$1,104.00. Net proceeds (\$1,030.02) released to credit of Joint Account 5452/5511 on Jan. 1/44.

The balance (\$1,595.65) accumulated in Joint Account 5452/5511 was transferred to the Personal Accounts concerned on the 9th July, 1947, i.e. \$797.83 to Tamejiro TAMURA, and \$797.82 to his son, Kuniyoshi TAMURA, the Joint Account being closed. At the joint request of father and son the balance in the father's account (\$797.83) was then transferred to that of his son, the father's Personal Account being closed.

We trust this supplies the information you require.

Yours very truly,

R. G. Bell,
Office of the Custodian.

Dear Sir:

We are in receipt of your letter of the 22nd ultimo on the subject of your Personal Account and also that of your Joint Account with Tobei KAWABATA.

We enclose a statement of your Personal Account, showing a balance of \$111.22 standing at your credit at the present time.

A statement of your Joint Account with Tobei KAWABATA (5452/8206) was sent you with our letter of the 27th March, 1946, at which time we advised you that the balance of \$2,067.99 had been liquidated by the transfer of \$1,034.00 to the credit of your account, and \$1,033.99 to the credit of the account of Tobei KAWABATA. In reply to your request to transfer your half-interest in the Joint Account to Tobei KAWABATA we wrote you on the 9th April, 1946, asking for further elucidation and your confirmation of the amount to be so transferred, and on receipt of your reply, dated May 3rd, 1946, we duly made this transfer, and sent you copy of our letter of advice (June 13/46) to Tobei KAWABATA. We might here add that the latter's funds were remitted to him on Mar. 12/47, and his account closed.

In another Joint Account with your father, Tamejiro TAMURA (5452/5511), there is a credit balance of \$1,595.65, as per statement sent you with our letter of the 4th November, 1946.

We are taking advantage of this opportunity to give you a brief resume of our administration of all your affairs, as shown by a review of your file just completed.

Real Property: (A) The Drinkwater Road (Duncan) property, of which you and your father were the registered owners, was purchased (as of Jan. 1/44) by The Director, Soldier Settlement & Veterans' Land Act, as advised you at the time, the net proceeds (\$1,030.02) being credited to your Joint Account (5452/5511) as at Jan. 1/44.

(B) The Duncan property (Cat. 569 = 5 city lots used as truck gardens), of which you and your father were the registered owners, was sold (Mar. 2/45) for \$520.00, as advised you at the time. The net proceeds (\$479.65) was credited to your Joint Account (5452/5511) on Apr. 17/45.

(C) The Second Street, Duncan, property (Cat. 570 = school, gym, and bungalow on 2 city lots), of which you and Tobei KAWABATA were the registered owners, was sold (Mar. 5/45) for \$1,685.00, as advised you at the time. The net proceeds

(\$1,578.28) were credited to your Joint Account (5452/8206) on May 14/45, and to your individual Personal Accounts on Dec. 11/45. Your share (\$1,034.00) of the Joint Account balance (\$2,067.79) was subsequently (June 13/46) transferred, at your request, to the credit of Tobei KAWABATA (File 8206).

(D) The Third Street, Duncan, property (Cat. 571 = 4 city lots used as truck gardens), of which you and your father were the registered owners, was sold (Apr. 3/46) for \$150.00, as advised you at the time. The net proceeds (\$126.40) were credited to your Joint Account (5452/5511) on June 24/46.

Personal Property: Of the substantial list of chattels attached to your "JP" declaration (Apr. 22/42) some were shipped to you, at your request, at different times; some were sold by auction, as per copies of auction sheets in your possession; some appear to have been stolen as a result of the premises used by the Custodian for central storage being broken into on more than one occasion; and some were doubtless included among those articles which had to be discarded as having no sale value, or insufficient to justify the expense of further handling and storage. This office holds no chattels of yours at the present time.

Some of the goods listed by you and sold as yours appear to have belonged to other people. To clarify the situation we sent you copies of auction sheets, on which we asked you to mark all items belonging to you and this list has been used to make necessary transfers, leaving to the credit of your Personal Account only the net proceeds of items identified by you as your own.

Specified Articles: You did not declare anything under this heading but a Camera (Kodak) surrendered by you to the Royal Canadian Mounted Police was turned over by the latter to this office and eventually (May 26/44) released by this office to the Department of Labour for delivery to you.

Liabilities: Your file carries no evidence of any outstanding liabilities.

Funds: There is a balance of \$111.22 standing at the credit of your Personal Account at the present time, as mentioned at the beginning of this letter. In compliance with your desire we are enclosing our cheque in your favour for this amount. This will leave no balance in your account which will therefore be closed.

Your half-interest in your Joint Account (5452/5511), referred to at the beginning of this letter, is also available to you. This balance amounts to \$1,595.65 and can be sent to your father in the form of a cheque in your joint names, or, alternatively, we can send separate cheques for half the amount to both of you.

This would appear to account for all property of every kind left by you in the protected area which vested in the Custodian, and in order that you may confirm this, we enclose a stamped addressed envelope for your convenience.

Yours truly,

R. G. Bell,
Office of the Custodian.

Re. # 5452.

Dear Sirs:

I received your letter of June 19th regarding discrepancies found in the inventory of personal property reported by me. Namely;

Missing

1, pr. binoculars

1, handsaw set and vice

1, handsaw

1, Roof pruner and raze

1, Carpenter's square

1, Nail hammer

1, Rear wheel for bicycle

Not Listed

1, grindstone

1, Roll barbed wire

Quantity Kudry netting

1, Steel tripud rod

1, Kitchen Stone.

1, kitchen table.

Regarding the above, I wish to report that the "binoculars" were hung by the straps on the case, to a nail driven into the north wall of the bedroom nearest to the kitchen. It is a dark corner so it could easily have been overlooked by your agent.

With regards to other items in the "missing"

list, they should be found either in the "house" or in the garage, on the "Somenos" property. However if they are not there now, you may cross them off the list, since the value would not amount to much in any case.

With regards to the items, in the Not listed list, I must have missed them out when making the inventory. Thank you very much for informing me. If possible I would like you to include those items (in) to the list which I gave to the "Custodian" at Vancouver.

Thank you very much for writing me. If you need further information please write. I'd be only too glad to supply them.

Dear Sirs:

Re: Kunyoshi Tamura #08966 - File 5452
Tamejiro Tamura - File 5511

We wrote to you on June 25th advising that the property owned by the above had been rented and mentioned that the household and personal effects, furniture, etc., were being moved to the place of storage. We wish to advise you that these goods have now been moved.

We would like to point out that the following articles were found to be missing:

One Bench axe	1 wheelbarrow
2 hand saws	1 weigh scale beam
1 six foot steel tape	2 bicycle lamps
1 two piece cromium extension stand and base	equipment for trolling rod
1 Baby Ben alarm clock	3 hand saws
1 carpenter's chisel	2 scythes
2 plugs and sinker	1 crowbar
1 pair binoculars, previously reported	1 hoof parer and rasp
	1 carpenter's square

The property had evidently been entered into for the padlock on one of the doors was found to be broken and much of the small stock of foodstuffs was scattered over the floor.

Yours faithfully,

CLAIM ON REAL AND PERSONAL PROPERTY

Claimant: Tamejiro TAMURA.

File 5511.

In this case claimant held all Real Property jointly with his son (Kunioyoshi TAMURA, File 5452), and the latter declared all Personal Property. A Power of Attorney signed by the son in favour of the father is attached to latter's claim. It covers the real property specifically but does not refer specifically to personal property.

IN THE MATTER OF THE CLAIM OF
TAMETIRO TANURA.

PROCEEDINGS AT HEARING.

20 APPEARANCES:

J.W.G. HUNTER, Esq., appearing for the
Dominion Government.

Claimant.

G. HAMBLETON, Esq., Official Reporter.

2
T. Tamura,
In Chief.

TAMEJIRO TAMURA, the claimant herein, being
first duly sworn, testified through
the Interpreter as follows:

DIRECT EXAMINATION BY MR. FISHER:

Q You might ask him if he has a signed authority from
his son to file his claim in this connection with
his own? A: Yes.

Q Where is your son? A: Which one?

Q "K." A: Birch Island.

Q Kuniyashi?

10 THE COMMISSIONER: There is a Birch Island up the
North Thompson.

MR. FISHER: That is sufficient, my lord, I think.

I would ask to amend the claim. There are
actually three parcels of real estate and the total
for them will be \$6,230.00. If your Lordship wants
the details, they are: Parcel 1, \$5000.00; Parcel
2, \$870.00; Parcel 3, \$360.00. Then the
Custodian's credit made up of sales at the following
prices: No. 1, \$1104.00; No. 2, \$520.00; No.
20 3, \$150.00; for a total Custodian credit of
\$1774.00, and a net real estate claim of \$4,456.00.
The personality claim, the claim will now be
\$434.65.

THE COMMISSIONER: \$434.65.

MR. FISHER: That is correct, my lord, less a Custodian
credit of \$181.35, leaving a net claim there of
\$253.30, added to the real estate, \$4,709.30,
total net claim.

Q Now, Mr. Tamura, you have had someone go over this
30 real estate claim form with you today and had it

read to you and you signed it as true and correct?

A Yes.

MR. FISHER: Exhibit 1, my lord.

(STATEMENT MARKED EXHIBIT NO. 1).

MR. FISHER: That covers claim No. 1.

THE COMMISSIONER: That is the real property numbered 1.

MR. FISHER: Yes; and it is claim 1. That is on the more highly priced piece of property, the one he is claiming \$5000.00 for.

10 MR. HUNTER: That is the farm.

MR. FISHER: Yes. And on claim 2, which I am now showing him, the other two smaller pieces of realty which have been amalgamated, you have also had an opportunity of going over this today, Mr. Tamura, and have signed it as true and correct?

A Yes.

MR. FISHER: Exhibit 2, my lord.

(STATEMENT MARKED EXHIBIT NO. 2).

Q And Exhibit 3, you went over your list as to
20 personal chattels and you signed it this morning as true and correct?

A Yes.

Q And the list attached was also gone over with him?

A Yes.

MR. FISHER: Exhibit 3.

(STATEMENT MARKED EXHIBIT NO. 3).

THE COMMISSIONER: Where is this real property, No. 1, is it near Duncan?

MR. FISHER: Yes, my lord.

MR. HUNTER: Yes, that is right.

30 MR. FISHER: They are both in the vicinity of Duncan.

T. Tamm,
In Chief.

Actually the building lots are in the city of Duncan.

Now he made one correction while he was going over the claim form today, my lord, and that was as to the amount of acreage cleared on claim 1, 16½, whereas the original figure of cleared acreage was 2½. There is a mistake on the part of Mr. Lockie. I think that is the only amendment to the claim that he made. There is one other notation, that there were eight fence posts placed eight feet apart, and that is with reference to the building, a rail fence on claim 1. You can see it on the left. Item 1 cleared, item 2 built rail fence. He states that is made of eight foot posts placed eight feet apart. That is the only comment he had on it.

I ask my friend to file the Soldier Settlement Board appraisal.

THE COMMISSIONER: Does that relate to all three pieces of property?

20 MR. HUNTER: No, my lord.

MR. FISHER: This covers claim No. 1. It is summarised. "A 20 acre holding on the bench north-west of Duncan". The total appraisal is \$1127.00, the assessed values are shown at \$900.00 for land, improvements at \$450.00, a total of \$1350.00.

(FARM APPRAISAL MARKED EXHIBIT NO. 4).

MR. FISHER: The comments he makes with regard to the second parcels of real estate, regardless of the statement of the appraiser there, is that they are good prospective building lots in Duncan

30

T. Tamura,
In Chief.

and the valuations are low. I don't think there is anything further in regard to the real estate.

With regard to the personal chattels, I ask to file as Exhibit 5, the analysis. My learned friend has also handed to me valuation of the two smaller parcels by H.W. Dickie.

THE COMMISSIONER: At what price?

MR. FISHER: Lots 1 to 5 --

THE COMMISSIONER: That will be No. 2.

10 MR. FISHER: Yes, on claim No. 2. He values them at a total of \$520.00. Is that correct, Mr. Hunter?

MR. HUNTER: I haven't it in front of me.

MR. FISHER: I think that is correct.

MR. HUNTER: That is correct.

MR. FISHER: And the others, Lots 1 to 4, he values at \$25.00 each for a total of \$100.00. That would be Exhibit 5.

(APPRAISALS MARKED EXHIBIT NO. 5).

(ANALYSIS MARKED EXHIBIT NO. 6).

20 MR. FISHER: Dealing now with the personal property analysis sheet, Exhibit 6, my lord, I would refer you to the comment on the first part of the chattels claim form that went in as Exhibit 3, that the key was handed over to the Custodian by this man. The goods were all put in the farm house and locked, and the key given to the Custodian.

THE COMMISSIONER: Where do you find that? That is not on it.

MR. FISHER: He has stated that in the personal chattel statement, Exhibit 3.

They were "stored in my farmhouse and in the garage on my farm".

THE COMMISSIONER: Yes, I see.

MR. FISHER: Farm house leased, key given to Custodian,

I ask your Lordship to note on Exhibit 6, the personal property analysis claim, that a substantial list was set out on the J.P. form. The Crown appear to have received almost all of it except as set out on column 2, and the claim in this instance is limited to those articles in the third column and your Lordship will note the number of articles that are marked "no account, theft". Mr. Hunter.

MR. HUNTER: It is submitted, my lord, that the real properties were sold for their fair market value. It is submitted that the chattels were sold for their fair market value.

If your Lordship would refer to Exhibit 6.

THE COMMISSIONER: Yes.

MR. HUNTER: The articles claimed for are all accounted for there in one form or another. The values obtained at the auctions from certain items are shown, and it is interesting to observe what a discrepancy there is between the prices obtained and the prices claimed. It is submitted, my lord, that the prices claimed for those articles which were stolen are exorbitant. There is no question but that the claimant is entitled to some recompense for those which were stolen. There are no questions, my lord.

MR. FISHER: I just want to comment, my lord, with regard to the claimed values as they appear on the analysis, Exhibit 6, that he has written these down now to total of \$434.65, as you will note from Exhibit 3. I would like to note that he is only claiming there, \$464.35 less the \$231.35 they were sold for. In other words, his net claim is \$233.00. There has been a substantial writing down since he made them up. I have no further questions.

1
10 THE COMMISSIONER: Are you taking credit for that?

MR. FISHER: Well, I suppose we should give it to Mr. Leckie.

THE COMMISSIONER: All right, thank you, Mr. Tamm, that is all we require.

(Witness aside)

(PROCEEDINGS ADJOURNED SINE DIE).

I hereby certify the foregoing to be a true and accurate transcript of the proceedings herein.
