LIABILITY SUMMARY

File No. 5534

17th April, 1947.

Re: Seiji TASHIRO - Reg. No. 06243

The above Japanese registered with this office on the 17th April, 1943, and at that time declared owing \$140.00 to the Mission General Hospital, and \$129.00 to Dr. E.J. Barrett. The Mission General Hospital filed their claim as being \$139.35.

Besides these accounts, M. Ebisuzaki Company filed a claim of \$24.67, Dr. E.N. Erickson - \$10.00, and O. Kondo Company - \$12.80. Seiji TASHIRO admitted these claims on the 27th August, 1943, with the exception of the O. Kondo Company claim, but stated that he was unable to make payment at that time.

O. Kondo Company's claim proved to be against his brother, Eiiji, File 2675, and was placed on his file.

The creditors were advised of Seiji TASHIRO's reply, and were given his address to make their claims direct, as no funds were held to his credit at this office.

The above summary is certified to be in accordance with the information on file.

Dear Sir:

Re File no. 5534.

Regarding your letter of July 21st I agree to all except one "O Kondo" the sum of \$12.80. There must be some mistake because before I left B.C. last year, I made certain all my debts. I even obtained all their bills, explaining if I am able I'll pay them someday and "O Kondo" wasn't one of them. Perhaps since I paid once or twice my cousin's debts (S. Nagano). They may have mixed his bill with mine. I never did buy much or anything costly from them, and I distinctly remember paying up "O Kondo" before I left Woodfibre (where I worked, my home was in Mission).

Owing to my present reduced circumstances (I have only 13 acres of beets) I find myself unable to meet any of my obligations for the duration. If afterward I find myself in a better position, I will pay them.

Yours truly

Seiji Tashiro.

With reference to your letter to me of the 2nd inst. enclosing copy of a letter of the same date to Mr. J. M. Straight, Official Administrator here, I am wondering if you have had any further communication with reference to the Certificate of Title in question. In view of the recent delivery of the Title, namely, the 23rd March 1942, I have some considerable hesitancy in suggesting an application to the Registrar of Titles for a new Title as he must be supplied with reasonable evidence that the same has been lost or destroyed and until the communication is received from the parties who took the Title from the bank on the date in question, I doubt very much whether the Registrar would consider seriously an application for a new Title.

Re: Estate of Giiichiro Tashiro, Deceased

Dear Sir:

We acknowledge with thanks receipt of your communication of the 19th instant.

When writing Mr. Streight on the 2nd instant, it was not our thought to have you apply to the Registrar under Section 160 of the Land Registry Act as there is no definite evidence that the Certificate has been lost. We believed the Official Administrator might rely on Sections 131-134 inclusive, as these empower the Registrar to order production and in his discretion cancel any outstanding Certificate.

In keeping with the Government's policy, parcels of real estate belonging to persons of the Japanese race are being steadily liquidated. You are no doubt familiar with the practice that is followed in this regard. The procedure entails obtaining independent appraisals and calling for tenders by public advertisement. The offers go before the Advisory Committee on Rural Properties under the Chairmanship of Judge Whiteside, and if the offers are equivalent to or exceed the valuations, the Committee then recommends acceptance and all documents are sent to Ottawa for signature of The Secretary of State.

We are furnishing you with this information for the reason that it is possible to liquidate these Estate parcels by taking advantage of Section 4 of P.C. 2483, dated the 27th of March, 1942, in part as follows:

"(2) The Custodian may, notwithstanding anything contained in this Regulation, order that all or any property whatsoever, situated in any protected area of British Columbia, belonging to any person of the Japanese race shall, for the purpose of protecting the interests of the owner or any other person, be vested in the Custodian, and the Custodian shall have full power to administer such property for the benefit of all such interested persons, and shall release such property upon being satisfied that the interests aforesaid will not be prejudiced thereby.

(3) For the purposes of the control and management of such property by the Custodian, the Consolidated Regulations Respecting Trading With The Enemy (1939), shall apply mutatis mutandis to the same extent as if the property belonged to an enemy within the meaning of the said Consolidated Regulations".

Section 23 of the Revised Regulations Respecting Trading With The Enemy (1943) provides as follows:

"(1) Where any real estate or interest therein is vested in the Custodian he may issue a certificate stating that such real estate or interest therein is vested in the Custodian and such certificate shall be registered without charge in the Land Titles Office or registration office in the district in which the real estate is situate, but failure to register such a certificate shall not release the real estate or interest therein from the provisions of these Regulations.

2875, 2689 (Evacuee Sec.)

Alexander S. Duncan, Esq.,

-2-

February 26th, 1945

(2) After the registration of such certificate and upon the written request of the Custodian, the proper officer in the Land Titles Office or registration office in the district in which the real estate is situate shall, where there is provision for transfer of titles, forthwith and without charge transfer the title of the real estate or interest therein affected by the Custodian's certificate into the name of "The Secretary of State of Canada acting in his capacity as Custodian under the Revised Regulations Respecting Trading with the Enemy (1943)", without any transmission or other application or further proceeding. The title to the land or interest therein shall be transferred as hereinbefore provided, notwithstanding that the Custodian has not in his possession or under his control the certificate or any other document relating to the title to the said real estate or interest therein.

(3) The interest of any enemy in such real estate shall be regarded as having effectively dealt with by any such action on the part of the Custodian.

(4) The Custodian may issue a certificate vacating any certificate of vesting previously registered, and the vacating certificate shall be registered in the Land Titles Office or registration office, as the case may be, without charge".

The Registrar is prepared to accept Special Vesting Orders together with a Certified Copy of Letters Probate or a Certified Copy of Letters of Administration. Herewith you will find the form of Order that we would send to Ottawa provided Mr. Streight approves this procedure. It appears that this would overcome many of the obstacles that stand in the way of liquidation by the Official Administrator, including the application for an order to cancel the Certificate of Title. The title would be transmitted into The Secretary of State and if sale was effected the proceeds would be paid to the Official Administrator for distribution to those entitled.

We are sending a copy of this letter to Mr. Streight and would be glad if you would discuss the matter with him as soon as possible.

Mr. Shears and the writer plan to attend a meeting of the Advisory Committee at New Westminster next Friday afternoon. We would be glad to meet Mr. Streight and yourself some time during the morning and if convenient, will arrange to be in Mr. Streight's office at 11 a.m.

Thanking you in anticipation of your co-operation, we remain,

Yours truly,

Dear Mr. Streight: Re: Estate of Giichiro TASHIRO

With further reference to our letter of the 26th ultimo, and to confirm the arrangements agreed upon in the course of the interview yesterday, when Mr. Duncan and Mr. Shears were present, we outline the various steps required to be taken in order that the parcel of real estate belonging to this Estate may be liquidated.

1. Mr. Duncan is to forward a certified copy of Letters of Administration to this office.
2. Letters of Administration are to be filed in the Registry Office by you and the Custodian is to be furnished with particulars of such registration.
3. You are to obtain an independent appraisal and offer the property for sale by public tender.
4. You are to send us a list of all tenders received, together with a copy of valuation, copy of advertisement, and your recommendation as to acceptance or otherwise.
5. We are to obtain a Special Vesting Order from The Secretary of State in form submitted on the 26th ultimo, subject to amendment to Clause 6 as follows:
"AND WHEREAS The Secretary of State of Canada acting in his capacity as Custodian has been informed that the said GIICHIRO TASHIRO, Deceased, left him surviving Hyaku TASHIRO, Widow, and the following children, etc."
6. The Special Vesting Order will be filed in the Registry Office by the Custodian and you will be furnished with a copy of such order and the particulars of registration.
7. The offers received together with valuation you have obtained and an independent appraisal secured by the Custodian, are to be submitted to the members of our Rural Property Advisory Board.
8. Provided the highest offer is in line with such valuations, the Board will probably recommend acceptance and documents will then be prepared by this office and go forward to Ottawa for signature of the Custodian together with the Board's recommendation.
9. Provided the Custodian approves, the sale will be completed by this office and the proceeds forwarded to you for distribution to those entitled.

I was also agreed that if satisfactory offers are not received by you, the Custodian will advertise the property for sale by tender in the hope that liquidation in line with the Government's policy may be effected.

As the procedure decided upon will be followed in many other cases now in hand, we consider it is important to have a clear understanding in order that you may issue the necessary instructions to your Solicitors.

An early acknowledgment, together with your comments, would be very much appreciated.

We wish to advise you that we received the sum of \$556.30 from the Provincial Government being your share of your father's estate.

When registering with this office, however, you declared debts owing to the Mission General Hospital and Dr. Eacrett, and later, 2 claims were filed against you at this office by Dr. Erickson and M. Ebisuzaki Co., which you acknowledged as correct. Since no payments have been made on these accounts to date, these debts are being paid in full from your account as follows:

Mission Memorial Hospital	\$139.25
Dr. E.J. Eacrett	129.00
Dr. E.H. Erickson	10.00
M. Ebisuzaki Co.	<u>24.67</u>

and cheque for the balance of your funds amounting to \$253.28 is enclosed herewith.

Please acknowledge receipt.

Yours truly,

Dear Mrs. Tashiro:

I believe it was you who called on us last Sunday. Sorry we were all out. We were at the Bussei's concert.

I couldn't get the full detail of your message but I imagine that the Custodians have deducted some money from your account and paid to M. Ebisuzaki Co.

Of course you have already paid us. To tell you the truth, we do not know what the Custodians are doing about M. Ebisuzaki Co. We never got any satisfactory explanation regarding how much and from whom they collected, nor do we know how much or to whom they paid to settle the company's debts.

However, if this is the case, will you please write to the Custodians and tell them that you have already paid the debt to M. Ebisuzaki Co. and you owe them nothing. If this is not the purpose of your call, please destroy this letter.

We had a similar case before--the Custodians tried to collect some money from our customer where he had already paid and settled his account.

Sorry to put you to this trouble and also regret that we missed you on Sunday. Hope to see you all some day soon.

Yours very sincerely,

Mrs. H. Ebisuzaki

REMARKS	

Dear Sir: Re File No. 5534

Enclosed will find a letter the reason for this letter.

As you can see from it I have already paid the sum of \$24.67 to Mrs. Ebisuzaki while she was still in Lemon Creek B.C.

As I've misplaced the receipt at the time I received your statement & check I've been trying to locate her in Toronto.

Will you kindly send me the sum of \$24.67 to the above address at your earliest convenience.

I remain,

S. Tashiro

Mr. Seiji TASHIRO,
192 Catherine St. S.,
Hamilton, Ontario.

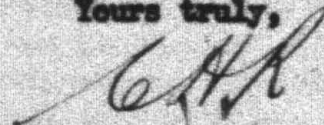

Dear Sir:

Replying to your letter of the 21st instant regarding payment of your claim to the M. Ebisusaki Company, it is unfortunate that you did not advise us that you had paid the \$24.67 to Mrs. Ebisusaki until this late date. We wrote you March 9th, 1949 that this account was being paid and since that time all assets of the M. Ebisusaki Company have been distributed to their creditors. We have no funds in our hands from which we could pay the above amount back to you.

We can only advise you to ask Mrs. Ebisusaki to refund this money back to you.

Had Mrs. Ebisusaki advised us that she had received this money we would have been able to adjust this matter.

Yours truly,

C. H. Reed
