Dear Sir:

Imayo Enta, the widow of Yanazo Enta, has seen me in reference to insurance monies payable under policy No. A9557 - Canadian Mutual Benefit Association, Rogers Building, Vancouver, B.C.

I understand that the amount of the insurance was not to exceed \$2,500.00 and the same was payable on assessment plan. I further understand that you received \$1,000.00 in the beneficiary's favour and that this may have been held up on account of some hospital bills, etcetera. I take it that the insurance money was payable to the widow. This being so, debts against the deceased would not be enforceable against the money. I have not all the facts and would appreciate it if you would write me so that I may assist in clearing the matter up.

Re: Mrs. Imayo ENTA - Reg. No. 02049

We wish to acknowledge your enquiry of the 2nd December, and would advise that the \$1000.00 cheque received by this office from the Canadian Mutual Benefit Association was forwarded to Mrs. Enta on the 30th November, 1946, through the Department of Labour, Japanese Division.

In making mention of the debts against the deceased husband, please be advised that in all cases, the Custodian asks beneficiaries if they desire any liabilities settled out of insurance money. However upon receiving a statement in the negative, no claim is made, and the funds are duly forwarded to the beneficiary.
